I Love Power 88! I even have it programmed in the company van I use at work. That's so when other people use the van, they can hear it. You are a blessing in my life.

Thank you!

### *Getting to know the staff at Goforth Media*

**Robert Barber, General Manager/VP** twenty-two years' service. Robert supervises the day-to-day operation of the three stations, studios, offices and three transmitter sites broadcasting on seven frequencies.

Robert said I believe that we are making an eternal difference along the gulf coast because we are able to reach places that most churches cannot. We are blessed with the ability to reach into homes, vehicles, workplaces, schools and anywhere a radio can go to spread the message of Jesus Christ.
