

# The Sleuth Scoop

## What's up in...

Students in grades 1-6 had the opportunity to "travel" the world on Friday, March 22. They attended an event at Prattville YMCA that had individuals from many countries and were given time to interact and share with these individuals.

Grades 4-8 will take the ACAP Summative test the week of April 8-12. It is important for students to be well-rested, on time, and ready for each day of testing. Billingsley School showed improvement last year and we want to keep that trend!!

The Chief Science Officers will conduct a STEM activity at the PTO meeting on Monday, April 8. Then following the meeting, we will have Family Math Game Night! Make plans to attend with your students and enjoy some fun!

## IMPORTANT DATES:

Monday, April 8 @ 6:00 p.m. – PTO Meeting and Family Math Game Night

Monday, April 15 -- PURPLE UP Day (wear purple to show support for military-connected children)

Wednesday, April 17 – Progress Reports go home

Friday, April 19 – No School, Weather Day

Friday, April 26, 6:00-8:00 p.m. – Spring Carnival...watch for details!!

## Did you know...

**A group of bears is called a sleuth?**

**That is the reason the school newsletter is named "The Sleuth Scoop"!**
