She will also schedule a time to come speak to Groveton Elementary Pre K classes and educate them on medical and dental essentials.

Second order of business was the Walk Across Texas event we do yearly. The dates selected for this event this year are 3/4/24-5/2/24. Closer to the event we will start to gather the Prizes to be given out to the winners.

Third order of business was the Go Eat Grow program the 5th Grade class Garden that we do. We have not heard from the Ag Extension agent on this yet. We will get with Mrs. Parsons the 5th Grade teacher that does the garden with the students and make sure this is feasible this year. We will touch base with all parties involved and see when we can get this kicked off.

Fourth order of business is the Water Day. The dates selected for this year is May 15th and 16th. Snow cone truck has been confirmed and reserved to be there. Water slides are being ordered this week. Snacks will need to be purchased closer to the event from Sams. We will gather a list and make a shopping trip for these.

Fifth Order of business is the Fun Run. This is hosted and organized by Coach Mary Lankford she was unable to attend today's meeting so Nurse Brittany will touch base with her on this event and we will discuss it at the next meeting.

Next meeting will be held on April 16, 2024 at 8:00am in the Elementary Cafeteria.
