Dear Parents/Guardians,

It's hard to believe that April is upon us, and we are in the 4th quarter of the 2022-2023 school year. During April we will be doing most of our annual state testing for grades 3-8 and 11. Hopefully we have seen the last of our winter weather, but I'm sure we'll have more winter at some point! In the meantime, please have your students continue to dress appropriately for our South Dakota weather. We will be nearing the end of the school year and have many activities that will be held including our spring concerts, prom, golf and track meets, FFA events and the celebration of our graduating class of 2023! Thank you for your continued support of the Willow Lake School District!!

Respectfully,  
Chris Lee  
Superintendent
