If we teach today's students as we taught yesterday's, we rob them of tomorrow. – John Dewey

“GENESIS INNOVATIVE SCHOOL OFFERS STRIDE ACADEMY CLASSES”

***Attention Students and Parents,** You may have noticed that you have access to **STRIDE Classes** on your schedule. Depending on your grade level, you may have access to **Reading and Math**. We are happy to offer these classes to you for two reasons explained in the options below.*

Please know these classes are supplemental. Again, they are NOT required.

INTERVENTION OPTION – Are you having difficulty in your CORE classes? If so, these classes offer you support if you are struggling. They act as an intervention if to hone and sharpen your skills in areas you may need help. **1**

ENRICHMENT OPTION – Are you finished with your assignment already? If so, these classes can stretch your mind if you need additional challenge, beyond your already rigorous CORE. **2**

IMPORTANT NOTE – Why do you see this classes on your schedule? These classes have already been added to your schedule for your **convenience. Yes!** We wanted you to have quick and easy access in the event you need some intervention or enrichment. **FAST FACT-** Stride Uses an OPEN PLATFORM. This means it works on MOST popular devices. The cloud-based system lets students access STRIDE anytime, anywhere!

What is STRIDE Academy?

An engaging teaching tool for elementary through high school that motivates students toward mastery and rewards learning with games. Motivating students can be challenging. Stride uses games and rewards to inspire students to master difficult reading and math concepts. Stride's adaptive technology guides each student to practice where he or she needs it most—and then serves up a variety of content that's lively and engaging.

Learning That's Focused and Fun

- Deeper content to further strengthen skills
- A "Help Me" feature recommends targeted skill review activities
- More fun, engaging games for students to choose from
- Technology-enhanced items to help students prepare for high-stakes testing
- Dashboards to better assess student proficiency
- Combined with Renaissance STAR Assessments®
- An anti-guessing feature ensures students always put forth their best effort!
