

Bracken County Schools

Title I-Part A School-Wide Programs

- ***Taylor Elementary***
- ***Bracken County Middle School***
- ***Bracken County High School***

What Is Title 1?

Title 1—Part A (Improving Basic Programs Operated by Local Education Agencies). The purpose of this federal program is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments. Title 1 provides grants to school districts which then allocate funds to individual Title 1 schools based on the number of students eligible for free and/or reduced school meals. These funds support state and local efforts to provide technical assistance (based on scientifically-based research) to school staff and improve schools identified as needing improvement based on progress.

Listed below is the information you will receive during the school year regarding your school-wide Title 1 Program:

- Copies of the Parent Engagement Policy and the School-Parent Learning Compact
- An invitation to a parent-teacher conference
- Suggestions to help and support your child's learning styles
- A program evaluation survey for input on school improvement and feedback on the school's progress in succeeding with every child

The Goal of Title 1

Every student reaches the learning standard of "Proficient"

Communication

Please continue the process of communication and cooperation between parents and schools by attending the *Annual Title 1 meeting* at your child's school.

If you would like more information about Title 1 or would like to serve on a school committee, please contact the school's principal or the District Title 1 Coordinator.

We welcome your participation any time!
