[Renfrow](#) or [Hazeltine](#)

\***March 6th**-Early release/Read Across America Day

\***March 7th**-No School (End of 3rd Quarter)

\***March 20th**-Late start (10:15)

Coming up-Spring Break Mar 31-Apr 4

### Class News

It is still snowy and icy on the playground so remember to send coats and snow gear even though we are headed towards spring. It's always a good idea to have a spare set of clothes in their backpack.

### More...

- Scholastic book orders have been sent
- Library is Tuesday/Hazeltine and Wednesday/Renfrow
- **PE Hazeltine/Music** -Weeks of March 10th and 24th
- **Music Hazeltine/PE Renfrow** -Week of March 3rd and 17th

### ELA

\*\*The Highly Proficient student can compare and contrast two or more versions of the same story by different authors or from different cultures. The Highly Proficient student can create their own version of the story that includes a well-developed setting, characters, and event

\*\*The Highly Proficient student can compare and contrast the same topic using several different texts and summarize their findings in their own words using evidence from their sources.

### Math

\*\*The Highly Proficient student can solve addition and subtraction word problems for an unknown number involving the same units of measurement.

\*\*The Highly Proficient student can arrange objects into equal rows and columns, and write a multiplication equation using the information using the information created with the array.

### Science/Social Studies

**Science**— Animal and plant dependence and measuring plant growth based on different variables.

**Social Studies:** Economics exploring wants, needs, jobs as well as producers and consumers.

# Class Happenings

Unfortunately, we didn't take any photos of our Valentine's Party, but just know that it was filled with love and fun. Students started the day with an all school sing along in the hallway. We did Valentine themed work, crafted and colored, and exchanged cards with their class. It was a busy and special day.

We will be having a safety presentation assembly and magic show put on by Clearwater Power at the end of the month.

We love when Dr. Fisher comes to visit and share his unique and fun presentation on dental care! The kids sing his dental sea shanty all day!

Second grade learned and performed a Mexican folk dance at the assembly this month!

In science, we made our own pollinator creatures to see if they could transport pollen or seeds from one place to another. How fun!

# Working together is so much fun!

These kiddos live for game days! Here they are playing a board game to practice prefixes and suffixes.

Here, classmates are making their charts to explore metric measurement of length, weight, and capacity.
