**CONFERENCE LETTERS**– I am sending home confirmation letters in **today's folder**. This will give you your scheduled conference date and time. Please make sure your child is present at the conference. I am looking forward to meeting with you all next week!

**FALL PARTY** - We will be having our class "Fiesta" on Thursday, **October 31** at 2:20. This is not a Halloween party, so students are not dressing up in costumes. I am attaching a second page to this newsletter to parents in hopes that I can get some help with providing some items for the party.

**MATH PROJECTS:** All students chose a project to complete this week and share with the class on Monday, October 21. Students have time in class to work on the project as well as completing their IXL and Imagine Math, but students are also welcome to work on the project at home. Students will identify the math they used and be prepared to share their project in class. These projects need to be completed when they come to class on Monday. If your child chose project 2A, reptiles their project is a labeled drawing, 2B, theme parks, is a brochure, 2C food, is a model, 2D traveling a journal. I will be supplying paper, but if students want to get fancy such as using modeling clay, they will need to get that on their own. Please let Mrs. Shaw know if you have any questions.

**COIN-A-THON** – The entire school is participating in a fundraiser for Breast Cancer Awareness month. We have a jar in our room for any students who would like to contribute COINS (no bills). Coins need to be brought by Friday, October 18. This is not required; purely optional.

"Courage doesn't always roar. Sometimes courage is the little voice at the end of the day that says 'I'll try again tomorrow.'"
