This Agreement is made and entered into by and between the **Sterling Board of Education** (hereinafter referred to as the "**Board**") and the **Sterling Education Association** (hereinafter referred to as the "**Association**"), affiliated with the **Connecticut Education Association**.

ARTICLE 1

PREAMBLE

- A. This Agreement is negotiated under Connecticut General Statutes Section 10-153b thru 10-153f in order (a) to fix for its term the salaries and all other conditions of employment provided herein and (b) to encourage and abet effective and harmonious working relationships between the Board and the Association in order that the cause of public education may be best served.
- B. The Board and the Association recognize the importance of responsible participation by the parties to this Agreement in the educational process, planning, development and growth. To this end they agree to maintain communication to inform about programs, to guide in development and to assist in planning and growth either by committee, individual consultation, or designated representatives.

ARTICLE 2

- A. The Board hereby recognizes the Association as the exclusive representative, as defined in the Teacher Negotiations Act, Connecticut General Statutes Section §10-153a, et seq., for all certified personnel employed in positions requiring a teaching or other certificate and employees holding a durational shortage are permit (hereinafter "DSAP"), excluding those requiring an administrative or supervisory certificate.
- B. Unless otherwise indicated, the term "teacher", when used hereinafter in this Agreement, shall refer to all employees in the above unit.
- C. **Durational Shortage Area Permit (DSAP)**
 - 1. Teachers holding a DSAP shall be covered by all the terms and conditions of the collective bargaining Agreement, except:
 - (a) Article 12 (Vacancies and Transfers);
 - (b) Article 18 (Retirement/Severance Pay);
 - (c) Article 19 (Leaves of Absence), Sections B, D, E, G, I, J, and K;

 - (e) Article 34 (Reduction of Professional Staff); and
 - (f) Article 37 (Longevity).

2. A DSAP holder shall not accrue seniority or length of service for any purpose in the Sterling Public School System. Notwithstanding the foregoing, if a DSAP holder becomes certified as a teacher and is retained by the Board as an employee after receiving such certification, without any break in service, then the individual shall be credited with seniority and length of service for all purposes under this Agreement, retroactive to the first date of hire by the Board.
3. The Board shall have the right not to renew and/or to terminate the employment of a DSAP holder and the DSAP holder shall have no right to file and/or pursue a grievance under this Agreement with respect to such action.

D. **Substitute Teachers**

1. A “long term substitute teacher” shall be defined as a certified teacher employed to fill temporarily a position held by a member of the bargaining unit while that member is absent from work, and who has been employed for forty (40) consecutive days or more, but less than an entire school year.
2. After forty (40) consecutive school days, long term substitute teachers shall be placed on BA Step 1 of the salary schedule and entitled to sick and personal leave, on a pro-rata basis, as set forth in this Agreement for the duration of the assignment, but otherwise shall not be covered by the terms and conditions of this Agreement. In the event that the Board is required by law to make insurance benefits available to any long term substitute teacher, the long term substitute teacher shall be required to pay the full costs for such insurance benefits.

ARTICLE 3
BOARD PREROGATIVES

It is recognized that the Board has and will continue to retain, whether exercised or not, the sole right, responsibility and prerogative to direct the operation of the public schools in the town of Sterling in all its aspects, including but not limited to the following: to employ, assign and transfer teachers; to exercise those powers specified in Connecticut General Statutes Sections 10-220, 10-221, and 10-222; to suspend or dismiss employees of the schools in the manner provided by statutes; to prepare and submit budgets to the Board of Finance, and in its sole discretion, expend monies appropriated in the budget as it shall deem desirable; to establish or continue policies, practices and procedures for the conduct of school business and, from time to time, to change or abolish such policies, practices and procedures; to discontinue processes or operations or discontinue their performance by employees; to select and determine the number and types of employees required to perform school operations; to establish contracts or subcontracts for school operations; and to determine the care, maintenance and operation of equipment and property used for and on behalf of the purposes of the school district.

The Agreement, so negotiated, shall bind and inure to the benefit of the Board and all members of the bargaining unit and shall be reduced to writing and signed by the Board and the Association.

ARTICLE 5

The provisions of this Agreement shall be effective as of July 1, 2022 and shall continue and remain in full force and effect to and including June 30, 2025.

ARTICLE 6
ZIPPER CLAUSE

This Agreement contains the full and complete agreement between the Board and Association on all negotiable issues. The parties may mutually agree to negotiate during the term of this Agreement or shall negotiate if ordered to do so by an authority of competent jurisdiction.

ARTICLE 7

This Agreement shall not be altered, amended or changed except in writing, signed by both the Board and the Association, which amendment shall be appended hereto and become a part hereof.

ARTICLE 9
JUST CAUSE

No teacher shall be denied an increment, given a written reprimand, or suspended without just cause.

ARTICLE 10
GRIEVANCE PROCEDURE

A. **Purpose**

The purpose of the following grievance procedure is to settle equitably, at the lowest possible

administrative level, issues which may arise from time to time with respect to the salaries, hours and working conditions of teachers provided for in this Agreement. Both parties agree that the proceedings under this Article shall be kept as confidential as is appropriate. Termination or non-renewal of contract, covered under the Teacher Tenure Act, Connecticut General Statutes §10-151, as amended from time to time, is not subject to the grievance arbitration provisions of this Agreement.

B. Definitions

1. "Grievance" shall mean a complaint by a teacher or a group of teachers that, as to him/her or them, there has been a violation, misinterpretation or misapplication of a specific provision of this Agreement.
2. "Teacher" shall mean any person who is included in the bargaining unit as defined in Article 2.
3. "Grievant" shall mean the person or persons making the claim, including their designated representative as provided for herein.
4. "Days" shall mean days when school is in session, except that during the summer, days shall mean business days.

C. Time Limits

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step shall be considered as a maximum. The time limits may, however, be extended by written agreement of the Board and the Association.
2. If a teacher does not file a grievance in writing within fifteen (15) days after he/she knew, or should have known of the act or conditions on which the grievance is based, then the grievance shall be considered to have been waived.
3. Failure by the aggrieved teacher at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

D. Informal Procedure

1. If a teacher feels that he/she may have a grievance, he/she may first discuss the matter with the Principal or other appropriate administrator in an effort to resolve the problem informally.
2. If the teacher is not satisfied with such disposition of the matter, he/she shall have the right to have the Association assist him/her in further efforts to resolve the problem informally with the Principal or other appropriate administrator.

E. Formal Procedure

1. Level One -- School Principal

- (a) If an aggrieved teacher is not satisfied with the outcome of the informal procedures or if he/she has elected not to utilize such procedures, he/she may, within the time period referred to in Section C, Paragraph 2 above, present his/her claim as a written grievance to the Principal or other appropriate administrator.
- (b) The Principal shall, within five (5) days after receipt of the written grievance, render his/her decision and the reasons therefore in writing to the aggrieved teacher, with a copy to the Association.

2. Level Two -- Superintendent of Schools

- (a) If the aggrieved teacher is not satisfied with the disposition of his/her grievance at Level One, he/she may, within three (3) days after the decision, or within eight (8) days after his/her formal presentation, file his/her written grievance with the Association for referral to the Superintendent of Schools (hereinafter "Superintendent").
- (b) The Association shall within five (5) days after receipt refer the grievance to the Superintendent but, prior to so doing, the Association shall provide an opportunity for the aggrieved teacher to meet with the appropriate Association committee to review the grievance.
- (c) The Superintendent shall, within ten (10) days after receipt of the referral, meet with the aggrieved teacher and with representatives of the Association for the purpose of resolving the grievance.
- (d) The Superintendent shall, within five (5) days after the hearing, render his/her decision and the reasons therefore in writing to the aggrieved teacher with a copy to the Association.

3. Level Three -- Board of Education

- (a) If the aggrieved teacher is not satisfied with the disposition of his/her grievance at Level Two, he/she may, within three (3) days after the decision, or within six (6) days after the hearing, file the grievance again with the Association for appeal to the Board.
- (b) The Association shall, within three (3) days after receipt, refer the appeal to the Board.
- (c) The Board shall, no later than ten (10) days after receipt of the appeal, meet with the aggrieved teacher and with the representatives of the Association for the purpose of resolving the grievance.
- (d) The Board shall, within three (3) days after such meeting, render its decision and the reasons therefore in writing to the aggrieved teacher with a copy to the Association.

4. Level Four -- Arbitration

- (a) If the Association is not satisfied with the disposition of the grievance at Level Three, it may, within eight (8) days after the decision by the Board, or within ten (10) days after the Board meeting, in writing submit the grievance to the American Arbitration Association for arbitration in accordance with their administrative procedures, practices and rules, with a copy to the Board.

- (c) The Arbitrator shall hear and decide only one (1) grievance in each case. He/she shall be bound by and must comply with all of the terms of this Agreement. He/she shall have no power to add to, delete from, or modify in any way any of the provisions of this Agreement.
- d) The Arbitrator shall render his/her decision, thirty (30) days after the closing of the hearing, in writing to all parties in interest, setting forth his/her findings of fact, reasoning and conclusions on the issues submitted. The decision of the Arbitrator shall be final and binding upon all parties in interest.
- (e) The costs for the services of the Arbitrator shall be borne equally by the Board and the Association.

F. **Rights of Teachers to Representation**

- 1. No reprisals of any kind shall be taken by either party or by any member of the Administration against any participant in the grievance procedure by reason of such participation.
- 2. Any grievant may be represented at Levels Two and Three of the formal grievance procedure by a person of his/her own choosing, except that he/she may not be represented by a representative or by an officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the procedure.
- 3. The Association may, if it so desires, call upon the professional services of the Connecticut Education Association for consultation and assistance at any stage of the grievance procedure.

G. **Miscellaneous**

- 1. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 2. Forms for filing and processing grievances and other necessary documents shall be prepared by the Superintendent, with the approval of the Association and made available through the

Association so as to facilitate operation of the grievance procedure.

3. If the Board and the Association agree that a grievance should be submitted directly to Level Two of the grievance procedure, the SEA President may submit each grievance in writing to the Superintendent directly and the processing of such grievance shall commence at Level Two. The processing of a grievance directly to Level Two shall also apply if it is reasonable to believe that the grievance cannot properly be adjudicated at Level One.

ARTICLE 11

TEACHER SALARIES

- A. The salaries of all teachers covered by this Agreement are set forth in Appendix A, which is attached hereto and made a part hereof.
- B. The salaries of all teachers who perform additional duties covered by this Agreement under "Additional Salary Schedules" are set forth in Appendix B, which is attached hereto and made a part hereof.

ARTICLE 12

- B. Vacancies of positions which are caused by death, retirement, discharge, resignation, or by the creation of a new position shall be filled pursuant to the following procedures:
 1. The existence of vacancies of position shall be adequately publicized, both within and outside the system, including a notice at Sterling Community School (by posting or otherwise) as far in advance of the date of filling such vacancy as possible (at least five [5] days in advance). Where need to fill a vacancy arises during the summer months, electronic notification shall be made to all qualified personnel who have previously made known in writing their interest to the Superintendent, and to the Association President.
 2. Said notice of vacancy of position within the bargaining unit shall clearly set forth the job description and qualifications for the position.
 3. Teachers who desire to apply for such vacancies of position shall file their applications in writing with the Superintendent within the time limit specified in the notice.
 4. Such vacant positions shall be filled by the best qualified applicant on the basis of certification and qualification for the vacant position provided, however, that where two (2) or more applicants are equally qualified, the applicant with the greatest amount of seniority

in the system shall be given preference. Qualifications shall mean evaluations and/or recommendations, previous related experience, specialized relevant training, and meeting the specifications for the position as posted.

5. In accordance with law, all appointments to such vacant positions shall be made without regard to age, race, creed, color, religion, nationality, sex, marital status, sexual orientation, disability or gender identity or expression. This paragraph shall not be subject to the grievance and arbitration procedure set forth in this Agreement.

ARTICLE 13 **PAYROLL SCHEDULE**

- A. Upon signing of a teacher's contract, each teacher shall have the option of the following payroll schedules:
 1. Payment of salary shall be made in twenty-six (26) equal bi-weekly payments to be made over twenty-one (21) pay periods during the school calendar year, with a balloon check equal to five (5) pay periods to be made on the last pay period in June. At the option of the teacher, he/she may request twenty-six (26) equal bi-weekly payments on a twelve (12) month basis.
 2. Payment of the teacher's salary to be made in twenty-one (21) equal bi-weekly installments during the school calendar year.
 3. Election of a payment option shall be made by each teacher no later than May 1st. If a teacher is hired after May 1st, such selection shall be made upon hire.
 4. Notwithstanding the above, all teachers hired on or after July 1, 2019 shall be paid in twenty-one (21) equal bi-weekly installments during the school calendar year.
- B. All salary payments shall be paid by electronic direct deposit to a qualified financial institution of the teacher's choice.

ARTICLE 15

PLACEMENT ON THE SALARY SCHEDULE

- A. All teachers shall be placed on the appropriate step in the salary schedule, taking into consideration the following:
 - 1. Degree status as defined under Article 14 of this Agreement.
 - 2. Intermittent or short-term substitute service will not be credited as previous teaching experience.
 - 3. No new teacher entering the employment of the Board shall be placed on a step on the salary schedule higher than a teacher already in the school system with the same academic preparation and teaching experience. Notwithstanding the foregoing, the Superintendent may grant salary credit on the salary schedule for up to two (2) steps higher for a new teacher entering the school system to fill a position in a state shortage area as designated by the State Department of Education on an annual basis.
 - 4. A teacher with a Doctorate Degree shall be placed on the appropriate step of the Sixth Year level of the salary schedule and shall receive an additional one thousand dollars (\$1,000) each year over and above his/her salary.
- B. For years for which step movement is negotiated, there shall be no step movement unless the teacher worked more than ninety-one (91) days in the preceding school year. Approved leaves of absence shall not count towards the ninety-one (91) days.

ARTICLE 16

B. Designation of the teachers assigned for the activities listed in Appendix B, shall be determined on an annual basis by the Administration.

C. **Mentor Teacher**

1. Any teacher who has successfully completed mentor training through an approved State Department of Education "Mentor Training Program" and who thereafter accepts an assignment to serve as a mentor for a new teacher under the TEAM Program shall be paid a stipend of three hundred dollars (\$300) for the first year of mentoring a new teacher and a stipend of five hundred dollars (\$500) for the second year of mentoring a new teacher in the two-year (2) TEAM cycle program.
2. If a teacher is serving as a TEAM mentor and the mentee leaves the Board's employment for any reason during the course of a school year, the stipend for the TEAM mentor shall be prorated based on the number of months remaining in the school year at the time the mentee leaves the Board's employment.
3. Service as a TEAM mentor shall be voluntary in nature and all volunteers must be approved by the Superintendent or his/her designee.
4. Any teacher who has successfully completed mentor training through an approved State Department of Education "Mentor Training Program" and who thereafter accepts an assignment to serve as a TEAM reader under the TEAM Program shall be paid a stipend of three hundred dollars (\$300).

ARTICLE 17
ANNUITY PLAN

Teachers shall be eligible to participate in a "tax-sheltered" annuity plan established pursuant to United States Public Law No. 87-370.

ARTICLE 18
LEAVES OF ABSENCE

A. **Sick Leave**

1. Each teacher shall be granted fifteen (15) days sick leave with full pay each school year. Unused sick leave shall be accumulated from year to year to a maximum of one hundred eighty (180) days, so long as the teacher remains continuously in the service of the Board.

2. On the fourth (4th) consecutive day of illness or when sick leave abuse is suspected, the Superintendent or his/her designee may require a doctor's certification of the illness.
3. Each teacher shall receive on a yearly basis, one-half (½) of the substitute's rate for each unused sick day in excess of the accumulated one hundred eighty (180) days. Unused sick days in excess of one hundred eighty (180) shall not exceed fifteen (15) days per year. Teachers hired on or after July 1, 2010 shall not be eligible for this benefit.
4. The Superintendent shall notify each teacher of his/her total number of sick days accumulated on or before the commencement of each new school year.
5. The Association agrees the Administration shall have the right to counsel teachers regarding sick leave utilization.

B. Personal Leave

1. Each teacher shall be entitled to up to four (4) days personal leave for business which cannot be conducted outside the school day. Such leave will be granted at full pay, will not be deducted from accumulated sick leave and is non-cumulative. Teachers must request personal leave directly from their Principal at least forty-eight (48) hours in advance, except in an emergency. Except under extenuating circumstances approved in advance by the Superintendent or designee in his/her discretion personal leave may not be used to extend vacations or holidays, to provide long weekends or to afford time for job-hunting.
2. During the initial year of employment, if a new teacher starts at the commencement of the school year and participates in the orientation days, the new teachers shall be credited with one (1) additional personal day.

C. Parenthood & Child-rearing Leave

1. Disabilities arising out of pregnancy, childbirth, and related conditions shall be treated the same as other physical disabilities for all job-related purposes. The Board agrees that it will not terminate a woman's employment because of her pregnancy. The Board will grant to any female employee disabled due to pregnancy a reasonable leave of absence for the period of such disability, ordinarily not to exceed six (6) weeks. Six (6) weeks are defined as consecutive weeks which include holidays and vacations. Such leaves may exceed six (6) weeks for medical reasons; however, this will require a written statement by the woman's attending doctor. The Board reserves the right to have the school physician verify such disability. Disability leaves arising out of pregnancy and childbirth may not overlap the commencement of childrearing leave. Upon signifying her intent to return, the teacher will be reinstated to a position with equivalent pay and with no loss of accumulated seniority, retirement, fringe benefits, and other service credit. Such disability leave shall be paid to the extent that the female teacher has accumulated paid sick leave, and shall run concurrently with the federal Family and Medical Leave Act (hereinafter "FMLA") qualifying leave.
2. The Board, upon the recommendation of the Superintendent, may grant in its discretion an

unpaid leave of absence of up to one (1) year for childrearing of a newborn or newly adopted child. A teacher must give the Superintendent notice at least forty-five (45) days in advance of the start of such leave in order to be eligible for consideration of leave beyond that permitted under the FMLA. This provision shall not apply to non-tenured teachers. Any teacher who is on an unpaid leave of absence for childrearing in accordance with this Article may, subject to eligibility requirements of the carrier, elect to continue coverage under the Board's group insurance plans. The cost of coverage during said leave of absence shall be borne by the teacher.

3. Requests for leave under this Section shall be in writing stating the anticipated date that such leaves are to start.
4. All leaves of absence under this section shall be counted concurrently towards eligibility for leave under the FMLA.

D. **Jury Duty**

Any teacher who is called for jury duty shall receive the necessary leave to fulfill this legal obligation. This leave shall not be deducted from sick leave or from personal days. The teacher shall receive a rate of pay equal to the difference between the professional salary and the jury fee.

E. **Fifth Disease**

Upon request from her physician, subject to consultation with the school medical adviser, a pregnant teacher may be transferred to alternate duties in accordance with Connecticut General Statutes §46a-60 when there exists a risk of contagion of a disease potentially harmful to the fetus, including but not limited to Fifth Disease.

F. **General Leave**

Other extended leaves, with or without salary, may be granted at the discretion of the Board.

G. **Professional Days**

1. When it is evident that convention or conference attendance or the observation of an activity in another school system will contribute to the effectiveness of the instructional program, the Principal may grant convention or conference leaves, or permission to observe an activity in another school system to teachers without loss of pay.
2. The Board may, at its discretion, reimburse all teachers attending a convention or conference, or observing activities in another school system.

H. **Association Leave**

If negotiation meetings between the Board and the Association are scheduled during normal working hours of a school day, not more than three (3) representatives of the Association shall be relieved from all regular duties without loss of pay, as necessary, in order to permit their

attendance at such meetings. When it is necessary, pursuant to the Grievance Procedure in Article 10 of this Agreement, for a School Representative, member of the Committee on Personnel Policies, or other representative designated by the Association to investigate a grievance or attend a grievance meeting or hearing during a school day, he/she shall, upon notice to his/her supervisor and/or Principal and to the Superintendent by the President of the Association, be released without loss of pay, as necessary, in order to permit participation in foregoing activities, but this privilege shall be limited to one (1) Association representative per grievance per day. Any teacher whose appearance in such investigations meetings or hearings as a witness is necessary shall be accorded the same right. The Association agrees that these rights shall not be abused.

I. **Sabbatical Leave**

1. Any teacher with fifteen (15) or more years of continuous experience in the Sterling School System will be eligible for a one (1) year sabbatical leave.
2. The Board of Education shall be notified in writing by February 1st of the teacher's intention for such leave for the ensuing school year.
3. At the discretion of the Board, up to one (1) sabbatical leave may be granted per year. Teachers requesting to take a sabbatical shall receive a six percent (6%) salary subsidy, and the teacher shall be required to participate in the Connecticut Teachers Retirement System. Such salary subsidy shall be paid in monthly installments upon receipt of the teacher's monthly payment to the Connecticut Teachers Retirement Board.
4. Teachers who take a sabbatical leave of absence shall return to teaching in the Sterling School System for a period of at least one (1) school year following the completion of the sabbatical. Prior to embarking on such leave, the teacher shall execute a loan note provided by the Board of Education promising to repay any salary subsidies provided in this Article if the teacher fails to return to the Sterling School System for at least one (1) year following completion of the sabbatical. The note shall be forgiven at the rate of ten percent (10%) of the face amount for each school month of service completed in Sterling upon return from the sabbatical.

J. **FMLA Leave**

Any teacher who takes an unpaid leave under the Federal Medical Leave Act (FMLA) in order to care for a spouse, child, or parent shall substitute any accumulated sick leave, up to a maximum of twelve (12) weeks, which would be granted for an illness in the immediate family. Any paid sick leave used for an illness in the immediate family, which qualifies as FMLA leave, will count against the twelve (12) weeks of FMLA leave to which the teacher is entitled.

K. **Bereavement Leave**

1. Teachers shall be permitted absences without loss of pay and without deductions from sick leave accumulation for up to three (3) days per occurrence in the event of the death of a spouse, parent, step-parent, child, step-child, brother, sister, grandparents, grandchildren, father-in-law, mother-in-law, brother-in-law, sister-in-law, uncle or aunt. Leave for

attendance at a funeral for other than a member of the immediate family, as set forth in this Section, shall be limited to one (1) day, limited to two (2) occurrences per year.

2. Additional bereavement days may be granted in the discretion of the Superintendent or his/her designee.

ARTICLE 19

CLASS SIZE

- A. The Board and the Association agree that the number of students per class may have a significant effect upon the educational growth and achievement of those students.
- B. It is further agreed that the Board and the Association will attempt to limit the number of students assigned to an instructional offering so as to always be able to make maximum student learning possible.
- C. Class size is Board Policy. Board Policy will not change for the duration of this Agreement. Board Policy relative to class size will be placed in the teachers' handbook.

ARTICLE 20

EMPLOYMENT YEAR

- A. G. For the purposes of this Article, reduction of a position from a greater to a lesser full-time equivalency shall be treated as an elimination of one position and the creation of another. Any teacher, who accepts a lesser full-time equivalency position in order to avoid or to return from layoff status, shall remain on the reappointment list for one (1) year from the date the original full-time equivalency position was lost.
