# Awards

## **President's Award for Educational Excellence**

The President's Award for Educational Excellence is a national award presented for outstanding academic excellence. There are two categories—the gold award and the silver award. To receive the gold award, a freshman student must have a cumulative GPA of 90 or better and have scored in the 90<sup>th</sup> percentile on **both** the reading and math sections of the PSAT taken within the last twelve-month period. To receive the silver award, a freshman student must have a cumulative GPA of 90 or better and have scored in the 90<sup>th</sup> percentile on **either** the reading or math section of the PSAT taken within the last twelve-month period.

## **Antonian Award of Excellence and Certificate of Merit**

Each year, Antonian recognizes the students who have earned the highest average and the second highest average in each level of the core courses of English, Language Other Than English, Mathematics, Science, Social Studies, and Theology. The student with the highest average receives a certificate of excellence and the student with the second highest average receives a certificate of merit. Because grade averages continue to be dynamic up to the date of the annual convocation, for purposes of this award, posted averages through the end of the 3rd quarter are used in making the determination for these awards.

# *Awards*

## **National Language Exams**

Each year, Antonian administers two national language exams: one in Latin and one in Spanish. Outstanding performance is recognized. For performance on the National Latin Exam, students are awarded a gold medal and certificate for summa cum laude performance, a silver medal and certificate for maxima cum laude performance, a certificate for magna cum laude performance, and a certificate for cum laude performance. Regrettably, this year, our Spanish students were not able to take the National Spanish Exam as the testing dates occurred during the remote learning time period and appropriate preparations could not be made.

# *Awards*

## **Presidential Volunteer Service Award**

The President's Volunteer Service Award is a form of recognition intended to inspire more young people to answer the call to service by honoring them for completing the required number of hours of service over a 12-month time period. These students have gone above and beyond their required service hours for the school. The awards are offered in multiple levels: bronze, silver, and gold.

## **Academic Letter**

An Academic Letter is awarded to recognize consistent placement on the quarterly honor roll. An academic letter may be awarded to a senior student who has made the honor roll seven or more times up to the time of the awards ceremony. Once an academic letter has been earned, an additional insert may be awarded at the next awards ceremony to any student who has been on the honor roll for the previous four consecutive quarters.

## **President's Award for Educational Excellence**

The President's Award for Educational Excellence is a national award presented for outstanding academic excellence. There are two categories—the gold award and the silver award. To receive the gold award, a senior student must have a cumulative GPA of 90 or better and have scored in the 90<sup>th</sup> percentile on **both** the reading and math sections of an SAT taken within the last twelve-month period and which Antonian has been designated to receive scores. To receive the silver award, a senior student must have a cumulative GPA of 90 or better and have scored in the 90<sup>th</sup> percentile on **either** the reading or math section of the SAT taken within the last twelve-month period and which Antonian has been designated to receive scores.

# *Awards*

## **Antonian Award of Excellence and Certificate of Merit**

Each year, Antonian recognizes the students who have earned the highest average and the second highest average in each level of the core courses of English, Language Other Than English, Mathematics, Science, Social Studies, and Theology. The student with the highest average receives a certificate of excellence and the student with the second highest average receives a certificate of merit. Because grade averages continue to be dynamic up to the date of the annual convocation, for purposes of this award, posted averages through the end of the 3rd quarter are used in making the determination for these awards.

## **College Board Scholars**

Antonian honors students who have been recognized by the College Board based on their performance on the PSAT/National Merit Scholarship Qualifying Test. Each year, the College Board recognizes more than two-thirds of the approximately 50,000 highest scorers on the PSAT/NMSQT, awarding these Letters of Commendation for their outstanding academic promise. Also, each year, the College Board, through the National Hispanic Recognition Program, recognizes about 5,000 of the 250,000 Hispanic/Latino students for their outstanding performance on the PSAT/National Merit Scholarship Qualifying Test.

## **Highest Ranking Students**

Antoniam recognizes students who are among the top performing in the class, based on cumulative GPAs. Although Antoniam does not disclose the individual rank of its students, for purposes of recognizing a highest ranking and second highest ranking senior and for college admissions or scholarship purposes, Antoniam does internally calculate the ranks of its students.

## ANTONIAN COLLEGE PREPARATORY HIGH SCHOOL

# NATIONAL SCIENCE HONOR SOCIETY

The Science National Honor Society was organized  
with the following objectives:

- To encourage and recognize scientific and intellectual thought
- To advance students' knowledge of classical and modern science
- To communicate with the scientific community
- To aid the civic community with its comprehension of science, and
- To encourage students to participate in community service and in turn, encourage a dedication to the pursuit of scientific knowledge that benefits all of mankind.

*Induction to this chapter typically takes place in November.*

We inducted 72 new members into the SNHS for the 2019-2020 school year.

Each member is classified as either a junior or senior at ACPHS. Each member must have and maintain a 3.0 grade point average on a 4.0 scale. Each member must have credit for at least one Honors science course during or prior to their junior year in school. Each member must have credit for at least one AP/DC/Honors science course during or prior to their senior year in high school. Each member must maintain an average grade of at least 85 across all science courses in grades 9 through 12.

### Science National Honor Society Board:

President-Gabriela Leilani Garza

Vice President-Annalise Courtines

Secretary-Alejandro Moran-Porras
