PUSD #8 Summer Programming

Manson Mesa High School

Programming Guide and Application Information

Manson Mesa High School- Summer Programming

Dear Parent/Guardian:

Your student is invited to attend summer programming due to not meeting the academic criteria set for this school year and falling behind on graduation progress. With the programming, a student also has access to FREE breakfast and lunch as well as transportation. Your student has the opportunity to recapture 0.5 credits towards graduation; this is equal to a semester's worth of learning. In order to plan for staffing and learning experiences, we ask that you register for the program as soon as possible. Spots are limited. Some students may be placed on a waiting list.

The attached packet provides you information about transportation, food service, and program offerings. Everyday attendance is expected; please commit to 16 days of programming. Take a look at the calendar to ensure the program dates work with your family's summer schedule.

Sign ups are happening now! Contact Dr. Trina Hubbell, 928-608-4153 or thubbell@pageud.org, to sign up your student. **The deadline for sign ups is May 1, 2023**. A school staff member will follow up by phone to confirm enrollment once the application is received.

Schedule:

- When: June 5 – June 29, 2023 - 8:30 am to 1:30 pm
    - Monday-Thursday
- Where: Manson Mesa High School
- Breakfast & Lunch is served FREE of charge

Attendance Expectations and Procedures

Attendance is expected everyday of a program. Take a look at the program calendar to ensure a good fit with your family's summer schedule. If a student enrolls in a program and doesn't show up for summer programming, the school will make efforts to contact the family. If contact is unsuccessful, the school will open the spot for a student on the waiting list to attend. Please keep contact information up-to-date with your child's school to ensure communication gets through.

Behavior Expectations and Procedures

We aim for engaging learning environments during summer programming. In order to achieve this, we expect our students to come to programming ready to participate and learn. The school will utilize their established Code of Conduct in order to deliver engaging learning environments for all students. The school will also utilize their established procedures for intervening on and addressing behavior issues that do not meet the Code of Conduct.

Transportation Information

The district has three (3) summer routes. Make sure to select your primary method of transportation on the application form. Use route information below to make this decision. If your transportation method needs to change, contact your school to communicate the changes. Depending on the timeliness of your communication, the request may or may not be possible.
