

Save the Date- September 23, 2022

Dear Parents,

We are cautiously preparing for the long awaited return of Grandparents Day! Each student will have the opportunity to have his or her grandparents or special friend visit St. John's for a portion of the day on Friday, September 23rd, for our annual Grandparents' Day.

The event will have two separate sessions based on ages of students and last name. If you have a Pre-School student in your family, you will automatically partake in the first session.

- Pre-School Students and Student's with the last names A-K will please arrive at 8:30 AM. The Grandparent program will end at 10:00 AM.
- All Students with the last names L-Z will please arrive at 11:30 AM. The Grandparent program will end at 1:30 PM

Volunteers who are willing to help with set-up in the morning and throughout the day please contact Lara Schumacher at LSchumacher@sjrccs.org.

*If grandparents are not available to attend, please feel free to invite another special person in your child's life, i.e. close relative or friend. While it is not necessary for parents to attend, they may do so if there is a need for assistance.

Grandparents' Day, September 23, 2022 Attendees

Family Last Name _____

My child/children & grades _____

Number of grandparents attending _____

I, _____, would like to volunteer during grandparents day.
