Matthew Arthur Elementary School Mission and Vision Statement

Our Mission is to provide a school that works for ALL students: Academically, Socially and Emotionally

Our Vision is Every Child, Every Day, NO Exceptions!

School Council Meeting Minutes 9/25/26

Mrs. Hopkins called the meeting to order at 7:30 and we recited the pledge of allegiance.

Mrs. Hopkins read aloud the district guidance on the purpose of school councils. "These are advisory councils that collectively serve as a liaison between the school leadership and the community the school serves. School councils exist to bring communities and schools together in a spirit of cooperation to share ideas for school improvement."

Mrs. Hopkins shared updates on our community business banner fundraiser as well as the new Family Friday lunch opportunities for parents. Some parents gave feedback on the first one and ideas to make it even better for the next time.

Mrs. Rooks shared instructional updates. She showed parents the new Social Studies curriculum (Gallopade) and they perused the student workbooks. She explained how students are working on annotating a text and that there is a correlation between reading and writing for learning in the content areas. She let parents know that this year the GMAS is a gate year in 3rd and 5th grade for reading as well as 5th grade math.

We reviewed the future meeting dates and noted that the March date was on Field Day so that one will be adjusted.

The meeting was adjourned at 7:53 am.
