

Information as promised on Lowes:

We registered years ago with Lowes utilizing the Omnia Contract so they (Contract Sales) will have the info on file. Just reference the OMNIA contract number R192006 to insure the discount. If making a blanket PO, again reference the contract number. The Lowes set up in Nextgen at Airport/Schillinger. Be sure to go to the Contractor Sales Counter. If needed, we can set up other locations.
