Thunderbolt Family,

Hello, my name is John “Gordy” Hall. It is an honor and a dream come true to serve another year as Principal of Thunderbolt Middle School. After spending 28 years of my life in the Lake Havasu community and growing up as a child who attended LHUSD schools, I have returned to the campus where I once walked the hallways as a student. I spent the first 5 years of my career as an Instructional Assistant and Teacher here in town. Then, I moved to Texas to further develop my skills in education. During my time there, I transitioned from Teacher to Instructional Coach and then to Assistant Principal before returning here as Principal. It is an absolute pleasure to be back for my 2nd year and continue working with such an amazing community that has given me so much over the course of my life.

Thunderbolt Middle School is committed to the following three key components when it comes to educating your child.

- A guaranteed and viable curriculum with data driven instruction
- Strong social emotional support for all students
- A high level of community involvement and input from all stakeholders

We also look forward to working with all students to establish and maintain a growth mindset. Students sometimes struggle with confidence, and it is important that they understand that they can improve their skill even when it may seem difficult at times. A strong work ethic is important in helping to instill the characteristics needed to become young adults and successful citizens in the real world.

Family is something that I hold very close to my heart. As a collaborative instructional leader at Thunderbolt, my goal is to establish a school culture where everyone feels like they are a part of the family and that their voices are always heard. All stakeholders working together is key to positive impactful change on a campus. I look forward to an exciting school year and getting to know all of you! Please do not hesitate to reach out. We are committed to ensuring together we can help our students improve scholastically year after year. Thundercats Rock!

Sincerely,

John “Gordy” Hall
Thunderbolt Principal

IMPORTANT PHONE NUMBERS

Please take a few minutes and add both of these numbers to your phone's contact list.

Main Line: 854-7224
ATTENDANCE only: 854-7277

Parents/guardians can call to report an absence at anytime and leave a voicemail message - on the attendance phone number. If you do not call in your student's absence, you will receive an automated message from us.

ATTENDANCE MATTERS

EXCESSIVE ABSENCES OR TARDIES

We are proud of our attendance at Thunderbolt and look forward to continuing our low student absence rate. It is critical for students to be in school to learn and just as important that they are in class when the bell rings. Every minute counts for the highest level of learning! We will recognize those classes periodically who have the lowest number of absences and/or tardies.

If a student is tardy more than four (4) times per quarter he/she will earn a consequence.

This includes *both excused and unexcused* tardies. Absences are considered excessive if they exceed eight (8) per semester. We will contact you directly should your child exceed the number of absences allowed by law. This includes both excused and unexcused absences. If you have a note from a doctor please send it with your child.

Please note that attendance and tardies may affect some club eligibility criteria such as NJHS and Renaissance.

STUDENT HANDBOOK

The student handbook, located on our website, provides valuable information about our school and will be reviewed with students during the first few days of school. Please review this handbook with your child early in the school year. Hard copies are available upon request.

TITLE I/PARENTS' RIGHT TO KNOW

We are a Title I School. Title I provides financial assistance to local educational agencies to meet the needs of special educationally disadvantaged children. The purpose of Title I is to help all children achieve the state's academic standards. This is accomplished through supplemental programs that consist of instructional services, instructional support services, school wide reform efforts, and increased involvement of parents in their children's education.

We are pleased to notify you that in accordance with the Elementary and Secondary Act (ESEA), as amended by the Every Student Succeeds Act (ESSA), you have the right to request information regarding the professional qualifications of your child's teacher. Specifically, you may request the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or substitute status.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.

TAX CREDIT

Taxpayers filing in Arizona have the unique opportunity to redirect a portion of state tax dollars they already pay, to public education. The credit allows an Arizona taxpayer to contribute \$200 per individual tax return or \$400 per joint tax return to a school's extra curricular program.

Who can make a contribution?

We can accept contributions only from individuals; not businesses or corporations.

Do I have to have children enrolled in school?

No. Any Arizona individual paying state income tax can make a tax credit contribution to be used towards extra curricular fees.

Do I have to live within the District?

No. Any individual who pays Arizona State income tax can contribute.

Do I have to donate the full \$200 or \$400?

No, but remember, you can take this credit on any tax liability for state income taxes up to \$200 on an individual tax return or \$400 on a joint return. You may donate up to your \$200 or \$400 limit in installments during the calendar year or donate it at one time.

How does this work on my tax return?

As an example, lets say you made a \$300 tax credit contribution. When you file your state taxes, you will note the credit with a 322 form (downloadable from the State). If your State tax return calculates to a \$500 refund, applying the credit will increase your refund to \$800. If your State tax return calculates to a \$400 liability (you owe) then applying the credit will reduce your liability to \$100. However, you cannot receive a refund greater than your State income tax assessment for the tax year.

Tax Credit contributions are to the school/activity of your choice or can be made for individual students!

For more information about tax credit contact Theresa Parker by phone at 505-6941 or by email: Theresa.Parker@lhusd.org.

Tax credit contributions can be made online! Go to the LHUSD#1 home page at www.lhusd.org and access the online payment portal in a variety of ways or you can pay through the Thunderbolt bookstore at www.tboltbookstore.com. If you are not a parent, please sign in as a guest.

CHILD NUTRITION DEPARTMENT NEWS

Welcome back to the 2022-2023 school year at the Lake Havasu Unified School District!

This year there has been an increase in meal prices due to USDA Regulations. Breakfast is \$1.50 at ALL LHUSD schools. Breakfast will NO LONGER be free at Oro Grande, Smoketree, Nautilus, and Havasupai. Lunch price is \$2.75 at all the elementary schools and \$3.00 at Thunderbolt and Lake Havasu High.

Free and Reduced Meal Applications are available conveniently online at Family.Titank12.com, at all the school offices, and the District Office. If you have any questions regarding the Free and Reduced Meal Program please call, 928-854-5413. Any household meal applications that were submitted for school year 21/22 will continue their determined eligibility through 9/16/2022, or until a new application has been processed.

We encourage all households to submit an [ONLINE](#) application, as it will be processed within 48hrs. A paper application may take 10 days to process. During that time, you will need to verify funds on your student's account if he/she is going to participate in school meals.

Please set-up parental access to your student's meal account. You can easily check the balance by either downloading the [Titan Family Connect](#) phone app or checking online with a Family.Titank12.com account. This FREE account can be set up to receive low balance alerts and the ability to see what your student is purchasing. Meal accounts can also be funded through Family.Titank12.com. There is a \$2.60 service fee per transaction.

Students at the Lake Havasu Unified School District are allowed, per School Board policy, to charge up to 3 meals only during the first two weeks of school. This is to allow time to get meal accounts funded. No ala carte charges will be allowed. Students that are in arrears 3 meals will be offered the alternate meal during these first two weeks. Any student with an unfunded account AFTER the first two weeks will be offered the alternate meal. Adjustments will be made for students with a signed allergy form. Low balance letters are sent home with elementary students, twice a week, when their balance gets low. Please watch for these notices or sign-up for alerts through the Titan Family Connect app. At ANY time during the school year, a new or updated meal application can be filled out either online or at your school office.

Menus can be found on the individual school and District websites.

We look forward to feeding your student a nutritionally complete breakfast and lunch that's low in sodium, added sugar and topped off with as much locally grown produce (when available) that we can find!

PARKING LOT PROCEDURES

Parents,

We have worked hard over the last few years to create a parking lot procedure that keeps the traffic flow moving and keeps students safe. Although it's a bit challenging to get such a large number of parents in and out in a short amount of time our system works well with everyone's cooperation.

Please follow these procedures:

MORNING & AFTERNOON DROP OFF & PICK UP PROCEDURE

See map on the following page with instructions

ALL STUDENTS MEETING PARKED CARS MUST CROSS WITH THE CROSSING GUARD FOR SAFETY.

Please do NOT form a second lane of traffic in between the cars at the fence and the parking lot.

- This is unsafe for picking up your child and others.
- Cars are not watching for students to cut in between cars.
- A second lane also blocks the traffic waiting to come into and out of the drop off lane.

When leaving a parking space cars must loop around to join the traffic flow running parallel to the fence. We will be in the lot to guide you in the process.

There are slight differences between the morning and afternoon procedures. This is because cars in the afternoon may need to circle the parking lot to locate a parking spot. They must have the ability to do so. This is not the case in the morning as all cars are moving quickly through the lot after dropping off students.

We would ask that you remain 100% focused on the traffic and students while in the lot by not talking on your cell phone during pick up and drop off. Student safety is our goal.

Our goal is to keep every child safe during pickup and drop off times. Your cooperation is appreciated. Thank you!

Mornings – Drop off from 7:25 to 7:50, class begins at 8

Pick-Up Lane: Pull into the pick-up lane and have **students exit car quickly**. Please do not have students wait in the car as traffic backs up onto Thunderbolt.

If the drop-off lane is full, turn to the left and pull forward to the teacher at the cross walk.

Do NOT form a second lane next to the drop-off lane or cars will not be able to exit.

Please do not pull into the bus lane, circle, or the staff parking lot. ONLY IF your student has an injury (broken foot/leg) then you may pull into the staff parking.

To sign-up for bussing, please call 928-505-6960 to see if you live in a qualifying area.

Afternoons – Students will release at 2:35

Pick-Up Lane: Pull forward and pick-up students in the front half of the line.

Parking Lot: If the pick-up lane is full, please pull into a parking space. Your student will be walked across traffic with the Crossing Guard. Students may not cross traffic anywhere other than with the cross walk. If you park in the spaces closest to Thunderbolt Ave you will drive back alongside the curbside pick-up lane to exit the parking lot.

Please do not pull into the bus lane, circle, or the staff parking lot. ONLY IF your student has an injury (broken foot/leg) then you may pull into the staff parking.
