Nov. 17,
2023

The Righetti High School ASB fall food drive will help fill the empty shelves of the less fortunate this holiday season.

The annual community service project was conducted by the ASB Leadership classes from Nov. 1-15th. Nearly 1,000 food items have been donated to the Food Bank.

“I’m very happy with the amount of food our students and staff collected and knowing all of this will help families in the community,” said ASB President Teya Nastaskin.

Activity Director Kelly DeBernardi agreed by adding, “the school did a great job.”
