

Greenwood Elementary School

Vision

To provide students with a strong competitive education to be college and career ready.

Mission

To encourage students to be responsible productive citizens, confident problem solvers, and motivated learners.

Beliefs

We believe education is our first priority and is shared responsibility of home, school, and community.

We believe everyone has the right to be educated according to his or her individual need and abilities.

We believe everyone deserves an education in a safe environment.

College and Career Ready

Objectives

- Students will achieve college and career readiness for their grade level specific standards.

Critical Initiatives

- Tiered Differentiated Instruction will tailor activities according to students' level of instructional needs to differentiate content, process, products, or the learning environment.

Key Measures

- DIBELS and ACAP

Technology

Objectives

- Student growth will increase by providing experiences with digital tools and digital resources.

Critical Initiatives

- Differentiate Digital Learning Paths - Digital tools will be used by teachers and students to increase student use of digital resources. Students will use digital programs to support learning goals.

Key Measures

- Acellus, Imagine Learning, Finish Line and MyOn

Student Growth

Objectives

- Provide parental involvement experiences that will help students achieve grade-level proficiency.

Critical Initiatives

- Parent Academies - Parent academies provided on a monthly basis for parents. Federal Programs and the school work closely together to organize workshops for parents that will close achievement gap.

Key Measures

- Parent Academy, Open House, and Parent Conferences
