Great Start to the Year!

We are off to a great start this year! Parents, I would like to say thank you for your patience and understanding; as we continue to navigate through the challenges of COVID. I hope that you know our top priority is to ALWAYS put your child's safety and well-being first!

We are hopeful that activities planned for the year will be able to resume in the coming months and we can make this a memorable year for each and every student! Regardless, the Taylor-White Faculty and Staff continues to work diligently each and everyday providing your child with engaging and fun lessons!

We are thankful that your child is in attendance and we are driven to make the most out of each and everyday with them! So, once again thank you for your patience and understanding; as well as allowing us to impact your child's education.
