

Section 98c:
Learning Loss

The purpose of this grant is to provide accelerated learning supports to make up for lost instructional time due to COVID.

These are targeted supports, focusing on essential skills, particularly for our oldest students who are closest to graduation.

These supports are designed to ensure students remain on-track for graduation, and are career and college/trade ready.

For 2022-23, we will focus on 4 supports:

The logo for xello, featuring the word "xello" in a lowercase, sans-serif font. The letter "o" is stylized with a green dot above it.

College & career
readiness software

Credit recovery courses

Career & job
training/placement supports
through Michigan Works staff

Online learning platform
offering both remediation and
acceleration across all subject
areas, grades K-8

REMOTE LEARNING

engage everyone
everywhere

Grant impact will be measured by looking at the following:

- Total number of hours of career counseling support services offered in coordination with Michigan Works
 - Educational Development Plan completion rates
 - Results of student surveys
 - Number of credit recovery courses offered and course completion rates
 - MobyMax usage and progress reports
