HOPE SULLIVAN ELEMENTARY

WELCOME

I am very happy to be your child's Kindergarten teacher this year! This will be my sixteenth year of teaching Kindergarten at HSES, and I am ready to make it the best one yet! I grew up in Southaven, and I have been a Charger for most of my life! I graduated from The University of Mississippi with a bachelor's degree in elementary education. I have 3 purr-fect cats, and I love being an aunt to my 2 nieces and 2 nephews. I can't wait to have an amazing year of new adventures and learning! Please feel free to contact me at any time during the school year to discuss your child's progress. I am excited to work with your family, and I know we can make it a great year together!
