

WARNER ROBINS HIGH SCHOOL

PARKING RULES AND REGULATIONS

All student parking is by permit only. Applicants should carefully fill out and sign the necessary application. Students may register vehicles owned or leased by themselves or their family. Students may not trade, sell, loan, barter, or give away any parking space. The Houston County Board of Education is not responsible for the losses or damage to the property of users of its facilities, including loss due to bodily injury. All students parking a car at Warner Robins high during the school day must purchase a parking permit and must use the student parking lot on the stadium side of Davis Drive. Spaces are not assigned. The school reserves the right to either deny or cancel any student's parking privilege. Students must comply with all Board of Education and local school policies to park on campus. Students who do not follow the rules and regulations will have their parking permit revoked. There will be NO refund of parking fees if a permit is revoked.

Examples of behavior that would result in a student having their parking permit revoked would include, but not be limited to the following:

- (1) Buying a parking space from another student.
- (2) Failing to observe any established parking or traffic safety regulation at the school.
- (3) Either leaving school without permission or transporting another student from campus without permission.
- (4) Failure to display the parking permit.
- (5) Driving in a careless/dangerous manner.
- (6) Using vehicles to leave campus without permission or skip school, parking privileges will be revoked for the entire year.

No refunds will be given for parking permits once they are issued. The campus speed limit is 10 MPH. Violations will result in the voiding of permit (cost not refunded) or other appropriate action. Students are encouraged to drive safely. Any driving that endangers persons or property will result in the voiding of the parking permit and other appropriate actions. Again, we ask students to drive in a responsible manner. If you find it necessary to drive a substitute vehicle to school, your parking permit must be displayed. Motorcycles must also have a student parking permit. Permits are to be issued to students who qualify for parking privileges as determined by the principal.

This parking permit application and registration form shall be used to register vehicles and by copy, advise Parent/Guardian of the Rules and Regulations.

Parking and traffic violators on campus shall be subject to, but not limited to, one or more of the following disciplines:

- (1) Suspension or Revocation of parking on campus; (no refund will be made)
- (2) Towing of vehicle; (owner of vehicle responsible for cost)
- (3) Any other disposition deemed appropriate by the Principal or Administrators

Parking and traffic violations on campus subject to above discipline shall be, but not limited to the following:

- (1) Parking an unregistered vehicle on campus.
- (2) Parking in service roads, driveways, and walkways.
- (3) Parking in unpaved areas.
- (4) Failing to vacate vehicle on arrival at school.
- (5) Failing to leave school campus upon entering vehicle.
- (6) Giving false information and/or falsely registering a vehicle
- (7) Operating a vehicle without a valid driver's license (learner's permit not acceptable)
- (8) Reproducing, altering, defacing, or improperly displaying a parking permit.
- (9) Reckless conduct with vehicle.
- (10) Speeds exceeding 10 MPH on campus.

The driver/owner of any vehicle will be responsible for the use of his/her vehicle while on campus, and subsequently for a violation of the above rules and regulations by persons other than him/her if the offense is committed with or in his/her vehicle. The school administration is authorized to take action designed to prevent a student's cutting of class or nonattendance contrary to law and the Board of Education Policy (truancy). To emphasize the importance of being on time to school, of remaining at school, and attendance at school, the school administration may suspend a student's parking privilege. There will be no refund for the cost of the parking permit. If a student's vehicle is used to leave campus without permission or skip school, parking privileges will be revoked for the entire year. No refunds will be given for parking permits once they are issued.

**Per Georgia Law (O.C.G.A 40-5-35) no person may operate a vehicle if they have had a seizure within the previous six months unless they have been medically cleared by a physician. As a result, the parking privileges of any student who has had a seizure within the previous six months will be suspended and/or not issued pending signed medical clearance by a physician.**
