BOARD MEMBER INDEMNIFICATION

The members of the Board of Trustees and its employees and agents act as agents of the North Country Charter Academy. None of these individuals should be placed in a position of personal liability for the performance of the responsibilities vested in them by the voters and the state and federal governments.

In order to protect the individual members of the Board, its employees and other agents, and the educational interest of the community, the Board will purchase, from public school funds, in the absence of governmental immunity or in coordination with governmental immunity, adequate insurance to indemnify Board members and agents of the Public Charter School for their official actions in the service of the Public Charter School.
