

Mrs. Davis' Newsletter

Jan. 4-5, 2023

Congrats to everyone who made their AR goal for the 2nd nine weeks. We will also retake the Star Diagnostic soon for the 3rd nine weeks and AR goals will start over.

Welcome back everyone! This week we will work on reviewing school and class expectations. We will also take our iReady Diagnostic this week to see how well we've grown this year so far. We will work hard this last semester of the school year and get ready for third grade. Lots of reading to come to help us build our stamina and get ready to rock third grade as **AMAZING** readers.
