

Meet the Teacher

About Me

Hello! My name is Whitney Oswald and I will be your child's Kindergarten teacher! I am going into my 5th year of teaching. I was born and raised in Otterville. My hope is to give each child a love for learning and confidence to go as far as they wish with it. Working with children has been a large part of my life and they have all taught me so much. I look forward to continuing to learn and grow with all my new kiddos!

My Education

I attained my High School diploma from Otterville in 2016. From there I attended Central Methodist University where I received my Bachelors of Science in Education. I later obtained my certification in Early Childhood Education.
