

Resurrection Changes Everything

As reminds us of the single moment in history that changed everything—the resurrection of Jesus Christ. What began in sorrow at the cross was transformed into victory at the empty tomb. What seemed like defeat became the greatest triumph the world has ever known. And because of that moment, we are not left without hope—we are filled with it. Scripture tells us: “Praise be to the God and Father of our Lord Jesus Christ! In His great mercy He has given us new birth into a living hope through the resurrection of Jesus Christ from the dead.”

— 1 Peter 1:3

A *living hope*. Not a wish. Not a feeling that fades with circumstances. But something steady, secure, and alive—anchored not in what we see, but in what Christ has already accomplished.

Easter reminds us that the story did not end at the cross. The silence of the tomb was not the final word. On the third day, everything changed. Death was defeated. Sin was overcome.

Hope was restored. And that same power that raised Christ from the dead is the foundation of our faith today. It is the reason we can stand firm when life feels uncertain, the reason we can trust God when we do not understand, and the reason we can move forward with confidence instead of fear. Because Jesus lives, hope lives. Because He conquered death, fear does not have the final word. Because the tomb is empty, our hearts do not have to be.

In a world filled with shifting opinions, difficult headlines, and personal challenges, the message of Easter is not just relevant—it is essential. It reminds us that God is still at work, still faithful, and still bringing light into darkness.

This is the message we are honored to share each day through Goforth Media—truth that anchors, encourages, and points hearts back to Christ. It is the message proclaimed through every broadcast, reaching listeners here along the Gulf Coast and around the world through streaming. Whether someone is listening in their car, at home, or across the globe, the same life-changing truth is being heard: Jesus is alive, and that changes everything.

As you reflect during this Easter season, may your heart be strengthened by the reality of the resurrection. May you be reminded that no circumstance is beyond God’s power, no heart beyond His reach, and no darkness beyond His light. The empty tomb is God’s declaration that hope is never lost.

The resurrection is not only something we celebrate once a year—it is something we live in every day. It shapes how we think, how we respond, and how we trust God in both the ordinary and the difficult moments of life. Because He lives, we can face today with confidence and tomorrow with peace.

We are deeply grateful for your faithful support of this ministry. Your generosity helps carry this message of hope across our airwaves here along the Gulf Coast and beyond through streaming, reaching lives in ways we may never fully see this side of eternity. Thank you for partnering with us in sharing the life-changing truth of the Gospel.

A Heartfelt Thank You to Our Donors:

During this special time, we want to extend our deepest gratitude to our generous donors. Your support makes it possible for us to share the message of Christ’s love and hope with our community. Because of you, we can continue to spread the good news and create a space for worship.

THE NEW WLPR

Mobile's New Praise & Worship Station is now on the air!

Praise and Worship Music on WLPR 960 AM, 93.3 FM in Mobile, AL & 106.9 FM on the Eastern Shore.

A historical marker on the eastern shore of Mobile Bay reads like this:

"The earliest outline of a recognizable bay on the northern coast of the Gulf of Mexico was shown on a 1507 map by German cartographer Martin Waldeseemuller—the same map to first apply the name "America" to the New World.

Alonso Álvarez de Pineda, during a 1519 Spanish expedition seeking a water passage to the Orient through the Gulf, described this harbor and gave it the name Bahía del Espíritu Santo. Successive Spanish explorers sought this "Holy Grail" along the Gulf Coast, failing until a 1693 expedition concluded that what is now called Mobile Bay was the fabled Bay of the Holy Spirit."

Our area has along history and deep roots into the faith of the gospel of Jesus Christ.

We at Goforth Media are excited to announce the launch of a brand new local listener supported Christian radio station. It's focus is music that praises God on the Bay of the Holy Spirit and beyond.

960 AM and 93.3 FM in Mobile, and 106.9 FM on the Eastern Shore of Mobile Bay.

RADIO: THE MOST EFFECTIVE MISSION

TOOL KNOWN TO MAN

As the deer pants for streams of water,
so my soul pants for you, my God.
2My soul thirsts for God, for the living God.
When can I go and meet with God?
3My tears have been my food
day and night,
while people say to me all day long,
“Where is your God?”
4These things I remember
as I pour out my soul:
how I used to go to the house of God
under the protection of the Mighty One
with shouts of joy and praise
among the festive throng.

Psalm 42:1-4 NIV

KENNY'S CORNER

A few weeks ago we were able to launch a brand new radio station on the Gulf Coast. As the new year began, we found ourselves in a position where we had to have a new format for one of our radio ministries. After much prayer and research, we decided to launch a new, locally programmed Worship Station. Worship Music is a big part of the music of Power 88, but we decided it would be a good idea to dedicate a full music station to this format. We've taken the approach of a worship leader trying to plan out the music portion of a church service. Playing familiar songs the church knows along with worship tunes from the most well-known artists in Christian Music. We'll also be adding local worship artists as well. No radio personalities and a very limited number of breaks allow us to focus our time on music and scripture. Our heart with this new station is to encourage you whenever you listen to have a personal worship service with our Savior. We know you love Power 88 and encourage you to continue to listen there, but there may be times where you just need a praise break. That's when you can tune to WLPR "Mobile's Worship Station" and have a praise session through your radio speakers. If you do tune in, I'd love to hear what you think of the new station. Email me and let me know what you think: kenny@goforth.org
