Pastries with Pop

This morning, our kindergarten students delighted their dads with a special Father's Day show, followed by delicious treats in their classrooms. The children were so excited to share all of their hard work and celebrate this special occasion together. Thank you to Ms. Ahn and all of our Kindergarten teachers for creating such a memorable morning for our students and their fathers. It was a wonderful way to end another amazing school year!

Music MI

On Thursday, June 4th, our Music MI students performed for their families. Throughout the year, they worked hard under the guidance of Ms. Ahn, and their dedication was evident in each performance. Thank you to Ms. Ahn, as always, for your dedication and support of our students.

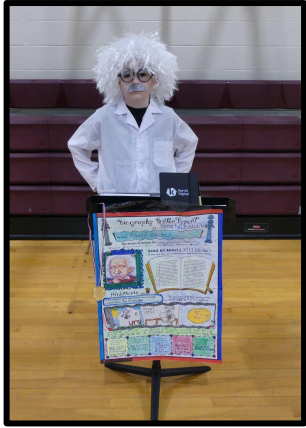

4th Grade Wax Museum

On Thursday, June 11th, our 4th grade students participated in their annual Wax Museum. Students selected a famous figure to research and then presented their findings to their families and fellow students. It was wonderful to see the students transform into their characters and proudly share all they had learned.

Preschool Show

On Wednesday, June 10th, our Preschool students performed their end-of-the-year show for their families. Under the guidance of Ms. Ahn, they worked hard to learn their songs and movements. Their smiles, as they performed, showed just how proud they were to share this special performance with their families.
