- **Membership Drive:** Handful of membership drives already coming in

- **Booster plaques**-Moving to online ordering through plaquemaker.com and some have come in already.
- **Troy Days:** Janet will order fringe for the float. Troy Days is July 8th

Old Business:

- **Logo Challenge**-will not be doing it this year
- **Back to School Bash**-Kendrick holds one and we will see how theirs goes. We will not be hosting an event this year. Football and volleyball have event already at the beginning of the school year.
- **Membership Appreciation**-Went over really well. It was held the night of the cheer camp performance so many were in attendance.
- **Center Court Project:** Current funding is at \$3,490. Matt has acquired some of the necessary supplies. Location is set. Reaching out to a woodworking contact to consult about finishing the front and edges.
- **Trojan Gear:** Kristi did some research on a site that does fundraising gear that Boosters would set up and patrons would buy and ship direct and we would make a small profit. BPA is currently starting to do sports gear for each sport with the new printing equipment and selling at THS events so we will leave it to them and see if there is a need in the future.
