HOMework

This is just a reminder that math timings are due EVERY DAY. They are the Homework Grade. Each timing is worth 5 points. Students are also expected to read their AR book each evening for 15-20 minutes.

AR Goals

AR goals were due yesterday. 9 students made their goal. AR Goals do not count as a grade. Some AR tests do count as a grade if we are using the book as part of class. When students make their AR Goal they earn a reward for the end of the month. Students were given their new AR goals today.

Student Led Conferences

Student Led Conferences are October 22 and 23 with time slots from 3:30 - 7:00. Sign up forms are in your child's folder and on email. Please pick the best **3** times for you and your child to come in.

Tying Shoes

We are now in the time where shoes are changed at school almost every day between P.E. shoes, snow boots (coming soon) and classroom shoes. It is really important that all students know how to tie their own shoes. I can teach them a trick or two, but this is something that must be mastered at home. Thank you for your help in this matter.
