**ISAT TESTING:** We are still plugging away on these tests. 5<sup>th</sup> grade will be taking the Math PT (performance task) test this week. ELA tests will be the next two weeks (May 7 & 14). The final ISAT will be the Science test on May 21. We will also have make-up days for students who didn't finish a test or were absent on a testing day. Results of these tests will be shared with parents, but it will take a couple weeks to get those results back.

**APRIL READING GOALS:** We had 4 students make their reading goal for the month of April. They earned flexible seating for the rest of the school year during independent reading time.

**END OF YEAR ACTIVITIES** – I know we are still 5 weeks away from the last day of school, but we are already planning events and activities for that last week. Please look at the enclosed flyer in today's folder regarding these events.
