

Building and Grounds Committee Meeting
September 19, 2022
3:30 pm
Superintendent's Office

Present: Snyder, Updyke, Gerriettes, Shinall

BGS Window Replacements was the main discussion point among attendees. The committee agreed a walk through the school would be most beneficial.

Keach presented quotes from April 2022 as a starting point. Options of windows were discussed among the group.

The group also discussed replacement of hardware on doors at Brimfield Grade School.

Next, the discussion of a crow's nest at the softball field was discussed.

Parking lot at the athletic complex was discussed. It is very tight with multiple events going on. The addition of a transportation barn in the northeast corner of the district's property was discussed as well.

The business portion was adjourned at 4:01 pm for the committee to walk BGS. Walk was completed at 4:45 pm.
