Dear Parents, Caregivers, and Students,

As summer comes to a close, I would like to take this opportunity to welcome each of you to Liberty Center Middle School. I am honored to be the principal of LCMS and to work with our highly qualified and dedicated staff, exceptional students, and supportive parents and community members that make this school great.

We are committed to providing your child with a great education in a safe environment each day. This school year we are continuing our partnership with 7 Mindsets to address the social emotional health of every student and learn the traits of highly effective individuals. We are excited about continuing to build an environment where students are given space to build relationships, interact with their peers, and learn about the mindsets each morning. We look forward to sharing more with you through our social media platforms!

School will begin on Wednesday, August 21.

LCMS is committed to maintaining effective communication. We encourage both students and families to keep current with upcoming events and activities by regularly checking our website at <http://www.libertycenter.k12.oh.us>. You may also follow us on Facebook and Twitter. Stay up-to-date with academic progress through [Parent/Student Sign-in](#).
