LEONINE

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses and income. The document provides a detailed explanation of how to categorize these transactions and how to use a double-entry system to ensure that the books balance.

Next, the document covers the process of reconciling the accounts. It explains how to compare the company's records with the bank statements and how to identify and correct any discrepancies. This is a crucial step in ensuring that the financial statements are accurate and reliable. The document also discusses the importance of regular reconciliations and how to handle any errors that may occur.

The final part of the document discusses the preparation of financial statements. It explains how to calculate the net income, the cost of goods sold, and the gross profit. It also discusses how to prepare the balance sheet and the income statement, and how to use these statements to analyze the company's financial performance. The document provides a step-by-step guide to the preparation of these statements and includes several examples to illustrate the process.

Dr. Bivins--Mr. Gammons--Mr. Staples--Mr. Brown--Mr. Steadham--Mr. Blue

Dedication

We, the members of the Senior Class of 1969, wish to express our appreciation and gratitude to the 1968 Carroll County Board of Education. A member of the Board of Education receives little recognition for the many hours spent to make our school life a better one. We would like to say to all of you, a very sincere, "thank you."

Because of their devotion and dedication, we wish to dedicate to them the 1969 Leonine.

*The 1969 Leonine Staff

We would like to thank you for your sincere dedication to your work and hope that in years to come, this yearbook will bring back fond memories of our school and with this special recognition, we extend to you our wishes for a prosperous future.

To Mr. Blue, we bestow this honor.

Central High

Since Mr. William Hester began conducting the Central High Band, the students of this school have yet to regret the fine and wonderful job he has done for the band and school. Often Mr. Hester has given needed advice to help bolster a fallen spirit.

Let it be said, that as a friend and conductor the services of Mr. Hester are greatly appreciated.

Mr. William Hester
Band Director

Whether at a football game, a pep rally, basketball game, or a parade, the occasion. Their performance at these function is not merely a spontaneous effort. It is rather a result of constant work, much of it during their free time, to improve their proficiency. Parades and other community functions give the public an opportunity to see another facet of musical accomplishment. The success and acclaim accorded to band members and their director, Mr. William Hester, are well deserved.
