Parents of Magnet School Students Attending the following schools:

Clark School of Math, Science and Technology

Denton School of Technology

Dunbar School of Creative and Performing Arts

Phillips Preparatory School

John L. LeFlore Magnet High

Magnet parents will select a pick-up site at the middle school campus nearest their home. This site will be the designated site for A.M. & P.M. **NO EXCEPTIONS.** Students should be at their designated pick-up site at least five minutes before pick-up time. Students need to be in a line (NOT IN CARS), buses are on a schedule. **No students are to be left unattended at any school site.**

Please use caution at your designated site when students are loading/unloading. The transfer hub for magnet students attending Barton, Denton, Dunbar, Phillips and LeFlore is on the campus of Clark-Shaw (formerly Shaw High School)

Clark is not a drop-off/pick-up site, if your child misses his/her bus, you will need to take them to their designated magnet school. Route schedules are available at www.mcps.com.
