REPORT CARDS

It is the policy of the Jefferson Davis Parish School Board that reports concerning student progress shall be made to the parent or legal guardian of all students on a regularly scheduled basis. Individual schools shall make additional reports to the parent or legal guardian of a student when, in the opinion of the principal and professional staff members, the situation warrants such reports. Such situations may include, but are not limited to, outstanding academic achievement, outstanding citizenship, poor academic performance and continuing inappropriate behavior.

Progress reports and report cards will be sent to parents or guardians at the end of each nine-week period throughout the school year. Progress reports and report cards will be given to students in grades Kindergarten (K) through twelve (12) on the fourth school day following the end of the reporting period.

Mid nine-week progress reports shall be sent to parents or guardians. These mid nine-week progress reports shall be sent on the 26th day of the nine-week marking period.
