Early Head Start

Sunny Side Classroom

Teachers: **Andrea L. & Lorisa P**

Andrea Lucario/ a.lucario@lagunaed.net

Lorisa Pacheco/ l.pacheco@lagunaed.net

(505) 552-6544 ext. 5201

What we are learning:

We learned how to make oven bread. We used flour, lard, salt, yeast and water to mix together and mold the dough. We learned how to make Easter pudding. Used all purpose, wheat, & panocha flour, brown & granulated sugar, hot water, & corn husks. Mixed together the ingredients and pour into a Crock pot to cook overnight. Tasting is what we liked best.

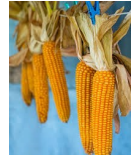

We celebrated the week of the Child, with activities from Monday through Friday. Music Monday, we made instruments using water bottles/containers and cereal. We had a parade in the plaza area. Each Classroom showed and made music with their instruments. Tasty Tuesday, we made yummy, healthy pizzas using fruits, yogurt, and bread. Water Play Wednesday, tables were set up in the PRC and the children had a blast splashing the water, scooping and pouring. Artsy Thursday, the children painted with their hands with pudding on paper plates. Family Friday, we had a show and tell. The children brought their favorite thing from home to show the other Classrooms. The virtual children participated in all the activities as well.

Sunnyside News!

For the coming month, we are going to focus on outdoor safety. Our Nutrition is on Healthy Beverages. For Culture, we will learn the process of planting and the uses of corn. Keres words we are learning: planting, field, farmer, water, shovel, rake, parched corn, blue corn mush, corn meal, grinding stone.

Demonstrations on corn grinding, Hi ya nee (blue corn mush), and Mama Doll making.

We will continue to focus on language, by repeating simple words, using sign language through books and songs. Using the Keres language at the table, name food, colors, numbers, animals, and objects.

Keres Language

Upcoming Events /Reminders

May 3rd: STEAM night @ 5pm

May 20th: Tea Time with mom @ 10am

May 13th: Birds of Prey @ 10am

May 19th-20th: EHS virtual fieldtrips

May 18th is Distribution Day for Virtual Students

Parent Tips

Toddlers are fascinating little beings. They can go from laughing to crying in a split second, and here's some tips to help improve behaviors and manners.

- * Using positive phasing- example turn the pages nicely instead of stop ripping the book.
- * Praise desired behavior- example: thank you for asking, sure you can have a snack.
- * Giving choices- example: blueberries or bananas
- * Give transition warnings- example: "First, we're going to clean up the Play-doh, then we can go outside!"

Birthday Celebrations

1 student will be turning 1 years old on May 5th!! Happy Birthday

Last month, 1 student transfer from virtual to in-person learning.

At-Home Activities

These are a few activities you can do at home with your child, as well as we will do in the Classroom.

- * Pudding painting (pudding, paper plates)
- * Instrument making (water bottles, containers, rocks, beans, rice...)
- * Water play (water, toys, cups, containers..)

Chinatown

Teachers: Evelyn Garcia & Sandra Lewis

552-6544 ext. 5200

e.garcia@lagunaed.net, s.lewis@lagunaed.net

What we are learning:

This month's theme is "Pets." Children can bring in one stuffed animal that they may treat as a pet for the month of May. Also, we going to plant vegetable seeds (corn, pumpkin, and watermelon).

Chinatown News!

We welcomed a new child into our school family (she entered our class at the end of March)!

It has been our great joy to see the growth & development of all our children; also, how our babies care for and show curiosity for one another!

Events & Reminders

3—STEAM activity 8—Mother's Day 19-20 —Virtual Field Trips
20—Tea Time 30—Memorial Day, **No School**

Parent Tip

Questions to Ask Your Baby's Pediatrician:

- Do you have any concerns about my child's weight or height?
- What foods should or shouldn't my child be eating?
- How can I help my child learn?

School readiness begins with health! Head Start National Center on Health Toll-free phone: 888-227-5125, email: NCHinfo@aap.org

Celebrations

ENJOY THE DAY MOTHER'S

Behind every
GOOD KID
is a great
MOM

At-Home Activities

Teachers will continue to send home the Creative Curriculum Learning Activities that are age appropriate for your child.

The Creative Curriculum®

Turquoise Springs

Teacher Bee & Teacher Nessa

hello
May

Contact Information –Phone /Email etc. (505) 552- 6544 ext. 5202
b.saiz@lagunaed.net/v.deutsawe@lagunaed.net

What we are learning:

This month children will be learning:

- * Children will be learning about planting corn.
- * Children will learn about pets.
- * Healthy Beverages
- * Summer outdoor safety

Turquoise Springs News!

Yay! Spring is here. We would like to share tips on how to stay safe when you are outdoors with your family:

- * Sunblock
- * Wear a hat
- * Drink plenty of water
- * Have fun :)

Upcoming Events/Reminders

May 3rd-STEAM

May 13th-Birds of Prey

May 20th-Tea Time with Mom

May 19th-20th Virtual Field trips

May 8th- Mothers Day

Parent Tip

- Encourage child to participate in school activities
- Have child on a daily schedule
- Choose healthy foods to eat
- Exercise daily - dancing, jumping running, walking.
- Limit screen time for children
- Spend family time together
- Model for your child, when they see you, they will follow.

Birthday/Celebrations

May 6th- M. Martinez

We would like to wish you a Happy Birthday and may all you're wishes come true.

At home Activities

- Read books and have conversations about the book
- Family dining– have conversations with family at meal time
- Explore outside– Wear hat, sun block and drink plenty of water
- Self-help skills– use feeding utensils, wash hands, brush teeth, go to the potty.

Pre-School Head Start

VETERANS DAY!

THANK YOU FOR YOUR SERVICE!

Seama Room-Zee'yama Guy'ah

Teachers: Faye Peacock & Angel Day

(505) 552-6544 ext. 5112

Teachers Contact: Faye Peacock: Cell # 239-4385 Email: l.peacock@lagunaed.net

Angel Day: Cell # 505-337-9080, Email: a.day@lagunaed.net

WHAT WE ARE LEARNING:

In the month of May we will be learning about pets & about the planting season. We will talk about what kind of animals make good pets & allow the children to tell us about pets they may have at home.

We will also discuss the planting season and spring. Spring allows new life to bloom. The planting season is a big part in our culture as well so we will discuss its importance.

SEAMA CLASSROOM NEWS

In April we learned about so many insects. We were also able to catch and see some insects while we were on a walk!

Many of our kids are also getting better with writing their own names, we are super proud of them!

We had a lot of fun for the STEAM Activity for the month of April. The kids enjoyed playing with the bubbles. Sorry to the parents for sending home your children with blue mouths and faces!

Upcoming Events/Reminders

- STEAM Activity — May 3rd
- Tea Time w/Mom — May 20th
- Birds of Prey— May 13th (Tentative)

PARENT TIP

TIP OF THE DAY:

When frustration arises, encourage your child to take a breath and use the statement "I am doing my best"

BIRTHDAYS

M. Yazzen- May 22nd

A. Coriz- May 27th

Happy Birthday!!

AT HOME ACTIVITIES

Please have your child "sign In" (write their name) at home! We are signing in everyday here at school. With your help the whole class will be able to write their name soon!

Hi!

There are letters in my name:

Encinal Classroom

Teachers Candice Lucero & Madalynne Francis

Contact Information:

(505) 552-6544 ext. 5110

c.lucero@lagunaed.net/ m.francis@lagunaed.net

WHAT WE ARE LEARNING:

My Oh My....those winds have blown the month of April out of here so fast. But that did not keep us from working everyday here at school. Thank you for sending your child every day, however we know with these winds comes allergies, which can lead to children getting sick; If your child is not feeling well, please keep them home, let them rest, take all precautions and they may return when feeling better.

We continue to work on our name writing, numbers, shapes, letters, colors, and of course our theme: Insects. We are learning about the different types of insects out there, the kind of homes they live in, and the food they eat. All while creating some cute artwork.

ENCINAL CLASSROOM NEWS!

In the month of May we will focus our attention on "Pets". Of course talking about the different kinds of pets; you may send pictures of your family pets for your children to share. We will also be learning about planting and what it takes to care for our plants. Many more activities to look forward to doing with our STEAM, Health, Mother's Day, Nutrition and our End of Year Field Trip; so mark your calendar.

The weather is always changing everyday, please continue to send a light jacket with your child. Some of you need to replace their extra clothes, always check their bags or folders for notes that are being sent home. Now that the weather is warming up, you can send them with a hat and a water bottle to keep here at school.

UPCOMING EVENTS/REMINDERS

May 3 STEAM ACTIVITY VIA ZOOM

May 8 HAPPY MOTHER'S DAY

May 13 BIRDS OF PREY VIA ZOOM

May 20 TEA TIME WITH MOM VIA ZOOM

May 23-27 END OF YEAR FIELD TRIP TBA

PARENT TIP

- ⇒ Toddler Parenting Tips
- ⇒ Encourage your toddler to explore and try new things.
- ⇒ Set up a special time to read books with your child and do it often.
- ⇒ Play matching games like shape sorting and simple puzzles.
- ⇒ Explain in simple terms how things work.
- ⇒ Encourage pretend play with your child.

CELEBRATIONS

Potty training has been going good, continue working with your child at home as well!!!

AT HOME ACTIVITIES

Edible sand. Toddlers love playing in the sandbox, but parents don't always love having to watch that no sand is eaten. In this activity, you'll make edible sand using one part coconut oil and eight parts graham cracker crumbs or cookie crumbs. Combine the ingredients in a bowl or a bucket, and let your toddler play with the sand, squish it in his hands, and even take a bite now and then. A small scoop or spoon may also be fun for digging around in the yummy sand.

Paguate Classroom

School # (505) 552-6544 EXT. 5109

Teacher Juana-j.natseway@lagunaed.net, Cell: 505-980-6182

Teacher Annabelle-a.garcia@lagunaed.net, Cell: 505-331-4333

What we are learning:

This month we are studying Pets. The children will have the opportunity to learn more about the kinds of animals that are pets, how to care for pets, and various jobs associated with pets in their community. The children will strengthen their skills in the areas of physical development, literacy, math, technology, and the arts.

Paguate Room News!

Children are counting from 1 to 10 on their own with little help.

Children are able to say parts of the morning prayer on their own.

UPCOMING EVENTS/REMINDERS

* **May 3rd** – S.T.E.A.M Activity

* **May 13th** – Birds of Prey

* **May 20th** – Tea Time with Moms

Nutrition Activity – Healthy Beverage

* **May 23rd - 27th** – End of Year Field Trips

* **May 30th** – Memorial Day – No School

Parent Tips

To teach patterns at home:

- Body pattern: clap, jump, clap, jump, etc.
- Building pattern with Legos or wooden blocks: square, circle, square, circle blocks.
- Patterns using nature objects: flower, rock, rock, flower, rock, rock, etc.

Birthday/Celebrations

Welcome J. Natseway
to Paguate Room

Happy Birthday

S. Alonzo

At home Activities

Recognizing their name:

- * Label child's name so they can see it often.
- * Draw letter of their name with chalk on sidewalk big enough for child to walk on them.
- * Have child practice writing name on artwork even if its scribbling.

Haadzaatya (Mesita) Room

Teacher Marissa & Teacher Kailyn

Teacher Marissa-m.analla@lagunaed.net

Teacher Kailyn-kailyn.aragon@lagunaed.net

(505)552-6544 ext.5107

What we are learning:

-The theme for the month of April was INSECTS.

Children contributed to a **K-W-L** (What we Know, What we Want to know, and what we Learned) Chart discussion on Ants

K- They are brown; black, They carry food to the ant tunnel, They can hide anywhere since they are small, live in the tunnel underground, they bite and eat small food, they can camouflage.

W- How do they get their food? How do they sleep? How do they make their tunnel?

L- They use their antennae to find their food- the queen, he babies. The queen ant eats the food.

Mesita News!!

Children requested to have lunch/snack outside the classroom on the porch when weather permitted.

We welcomed two friends into our classroom!

A. Valencia and K. Poncho

Upcoming Events/Reminders

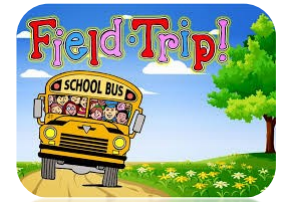

May 3: STEAM-TBA

May 13: Birds of Prey- TBD

May 20: Tea Time with Moms

May 23-27 End of Year field trips- Information will be forthcoming

Parent Tip

We are working on our friendship skills and acts of kindness. Notice when your child does an act of kindness. Comment on what they did. Ex, *Thank you for helping clear the table after the family was all done eating.*

Celebrations

Teacher Kailyn completed SPRING SEMESTER courses and finished her field-based course in Early Childhood practicum.

“Thank you to my friends, soo’kii’ niis, for being a part of my educational journey toward a higher education. I appreciate all the feedback, challenges, laughter, and teachings you brought to my life. Thank you too, families for allowing your child to be a part of my journey!”

-Teacher Kailyn

At-Home Activities

Read books on kindness and friendship.

Suggested books to read via YouTube:

Kindness Is My Superpower by Alicia Ortego: https://www.youtube.com/watch?v=6P-Y_MQqFRM

One by Kathryn Otoshi: <https://www.youtube.com/watch?v=1V-oilINpoo>

A Chair For My Mother by Vera B. Williams: <https://www.youtube.com/watch?v=DFoEEWEno0I>

Mesita Classroom Earth Day-Clean Up

EARTH DAY

**THANK YOU
FOR MAKING
A DIFFERENCE
EVERY DAY**

(Ka'waika) Laguna Classroom

Teachers: Ms. Yvonne and Ms. Deutsawe

y.francis@lagunaed.net and c.deutsawe@lagunaed.net

(505)552-6544 x 5108

What we are learning:

April has come and gone! We had fun being Entomologists and studying the various insects we have in our community. We have made some discoveries that insects have 6 legs and antennae's. Some aren't as friendly as others. I think we have an idea of which are okay to pick up and which are not.

Our next study is Pets. A study on pets not only offers opportunities for children to explore a topic they are interested in, but it allows children to gather information, become more aware of the world around them and solve problems.

PETS!

Laguna Classroom News!

We would like to give a shout out to the virtual parents for having materials available to your child at zoom time.

Thank to A. Lucero's mom, thank you so much for have 100% virtual attendance!

Thank you to R. Charlie's mom for consistently providing parent observations to the TSG family App. We do appreciate it!

At the end of May we will be taken a classroom field trip! Stay

Upcoming Events/Reminders

3 May STEAM activity

13 May Birds of Prey

20 May Tea Time w/ Mom

May 23-27 End of Years Field Trip-PHS

30 May No School

Parent Tip

Praise accomplishments, however small, will make them feel proud; letting kids do things independently will make them feel capable and strong.

Make a point of finding something to praise every day.

Follow up a praise with a hugs and kisses or high fives.

Birthday/Celebrations

At home Activities

Squeezing Sponges– Include some giant sponges into a bin of water for squeezing.

Go outdoors and blow some bubbles with your child.

Read daily to your child.

Dance to some music.

Sing songs with your child.

Message from ERSEA Coordinator

Greetings DEC Families,

My name is Patricia Charlie, and I am the ERSEA (*Eligibility, Recruitment, Selection, Enrollment and Attendance*) Coordinator. One of my job duties is taking care of attendance for all DEC virtual and in-person learners. For the month of March 2022, we had 15 student days. The classrooms listed below had children who did not miss any days for the month of March:

Pre-School Head Start:

- Seama Classroom — In person Learner
- Paguate Classroom — Virtual Learner

Early Head Start:

- Turquoise Springs Classroom — Virtual Learner

CONGRATULATIONS TO FAMILIES FOR SENDING YOUR CHILDREN TO SCHOOL
AND VIRTUAL FAMILIES FOR ATTENDING VIRTUAL LEARNING!!

Enrollment for program year 2021-2022 is now closed. Enrollment information for program year 2022-2023 will be forthcoming. If you have any questions, please contact me at (505) 552-6544, ext. 5004 or (505) 235-9286.

Sincerely,

Patricia A. Charlie ERSEA Coordinator/ Child Care Manager
p.charlie@lagunaed.net

(505) 235-9286

Special Education Coordinator

Margaret Mascarenaz

Early Intervention for Infants/toddlers (Ages birth to age 3) and Special Services for children (Ages 3-5)

Very young children have lots of new skills to learn-learning to move, learning to communicate, etc. Families are often concerned when a child’s development seems slower than expected. If you are worried your child may be delayed in his/ her development, share your concerns with the classroom teacher or special education coordinator. The idea behind early intervention is that a child’s developmental delays can be addressed best when they are discovered early.

Tips for Parents: CREATING ROUTINES FOR LEARNING -

Routines are important opportunities for learning.

Daily routines are typically thought of as only everyday upkeep activities: meal time, getting ready for bed, taking baths, etc. But these everyday actions are rich opportunities to support your child’s learning and development, while having fun. **Routines offer the chance to build self-confidence, curiosity, social-skills, self-control, communication skills and more.**

Routines help babies, toddlers and preschoolers learn self-control. *Consistent routines, activities that happen at about the same time and in the same way each day, provide comfort and a sense of safety to young children. Routines help your child predict what will happen next. Routines support and develop children’s social skills.*

Examples of Simple Routines that are Learning Opportunities

- * Greetings, good-byes and short chats are examples of routine interactions that teach social skills.
 - *Bedtime routines can help make transitions easier.. Would you like to brush your teeth now or after we get your pajamas on? Special rituals to help with this routine can be use a book, song or special game to prepare child for next steps to routine. Special rituals
 - *Clean-up time- “I know you want a cracker. But it is clean – up time now, Remember, after clean-up, it is snack time”
 - *Play-time and mealtime are two routines that are very social times for children and parent alike. Through talking, taking turns, sharing toys, learning to wait, young children learn important social skills that will help them later on in school.
- PLEASE NOTE: Routines provide the two key ingredients for learning: relationships and repetition. So enjoy these “ordinary” moments with your child. If he/she is having fun with you, he/she is learning, too!**

Thank you and Have a wonderful month of May!

Contact Information:

Margaret Mascarenaz

Email: m.mascarenaz@lagunaed.net

Phone: (505) 552-6544 ext. 5206

Greeting Parents and Families,
I hope this finds everyone doing well and in good health.

As we continue our fight to keep our DEC campus free of the Covid-19 virus and its variants, I want to take this opportunity to thank all the parents and families. You are all doing a great job in registering your children for Covid-19 testing bi-weekly at the center. In addition, kudos to parents that have chosen to vaccinate your 5-year old children. I know it has been a challenge for parents to keep up with all the new ways to register. DEC is fortunate to have parents and families doing their part to keep all our staff, your children and all their friends at school safer.

In this Covid-19 world we now live in, be aware that procedures, protocols and policies are continuously changing. The LDoE Liason, DEC Interim Director and I are working to ensure that parents are aware when changes occur. We continue to protect your child and family by maintaining confidentiality in all aspects regarding Covid-19.

As of April 19, we have received a new protocol. When a student is showing Covid-19 symptoms, he/she will be sent home and parents notified.

For 5-year old students:

1. Severe Symptoms – headache, nausea, body aches, sore throat, coughing, fever. DEC will inform parents that student will need to get a Covid-19 test 2 days after symptoms begin. Student will stay home and will not return to school until they have a negative test results.
2. Mild Symptoms – example: runny nose. DEC will inform parents that student will need to get a Covid-19 test 3 days after symptoms begin. The student may return to school if feeling better, wearing a KN95 mask. Ms. Katrina Riley will inform Mrs. Iris Gallegos/Ms. Ruth Hidalgo of test results.

For students 4 years and under:

1. Mrs. Iris Gallegos/Ms. Ruth Hidalgo will notify Ms. Katrina Riley when a student is sent home with symptoms. Ms. Katrina Riley, in turn, will notify the EOC and she will also notify Mrs. Iris Gallegos/Ms. Ruth Hidalgo once she receives the Covid-19 test results. If you have any questions, please contact Ms. Katrina Riley.

A few reminders, in collaboration with the Laguna EOC and the Laguna Department of Education, we ask that you continue to practice the following:

1. As of February 17, 2022, the Pueblo of Laguna continues to enforce its face mask requirements under the current Executive Order Amendment No. 5. **Parents please wear your mask when bringing your children to the bus and while dropping off or picking up your children at the center.**
2. Keep a 6-foot social distance.
3. If your child is having symptoms, do not send them to school. Keep them home, monitor their symptoms and get them tested for Covid-19.
4. If your child is absent on DEC's day of testing, please make sure you have your child tested within that week at the Mesita pod. Your confirmation code is still valid, present the code along with your child's birthdate to the testers at the pod. Katrina Riley will

(continued)

notify Mrs. Iris Gallegos/Ms. Ruth Hidalgo of your results. Testing times at the Mesita pod are Mondays and Wednesdays from 12:00pm to 4:00pm; and Thursdays and Friday from 10:00am to 2:00pm.

5. If your child has turned 5-years old, consider getting them started on their Covid-19 vaccinations. Any eligible child (5 years old and up) who is not fully vaccinated will be put on a schedule to Covid-19 test weekly. Vaccinations are available at the Mesita pod every Tuesday from 12:00pm to 2:00pm *BY APPOINTMENT ONLY*.

Test Registration Link is: <https://cvtestreg.nmhealth.org>

Vaccination Registration Link: www.vaccinenm.org

I appreciate your continued cooperation. Should you have any questions, please feel free to contact us, we are more than happy to help you with your needs. You all take care of yourselves, be careful out there and stay safe.

Iris Gallegos, Program Assistant/DEC Covid-19 Records Keeper
Laguna Division of Early Childhood
P.O. Box 798
Laguna, NM 87026

Upcoming COVID Test Clinic

Wednesday, May 11, 2022

8:00 a.m. – 10:00 a.m.

At DEC PRC (Parent Resource Center)

***Once you registered your child/children. Please return completed form to DEC or call the school at (505) 552-6544 with your child's confirmation code. Thank you!**

THANK YOU!!!

We appreciate you all for following the **5 MPH** Speed Limit as you are entering DEC to drop off your most precious cargo!

We appreciate your patience when dropping off & picking up

We work together to ensure the safety of all DEC children!

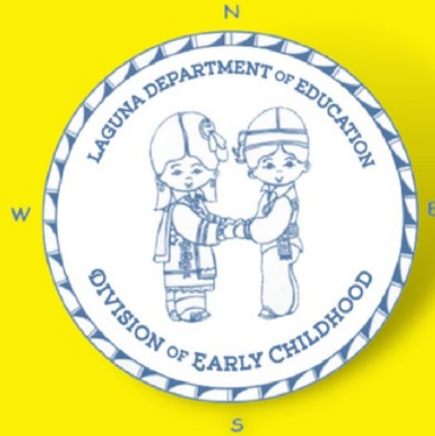

Parent Reminders:

DEC is continuing to follow the Covid Safe Practices.

ALL Parents & Children are asked to MASK UP, when approaching buses and when arriving onto program site

Be mindful and social distance

DEC PARENTS, LEARN ALL ABOUT KINDERGARTEN AT LAGUNA ELEMENTARY SCHOOL.
