

USE OF AUTOMATED EXTERNAL DEFIBRILLATOR(S)

The Board authorizes the use of Automatic External Defibrillators (AED) in emergency situations. The use, administration, and maintenance of the AED is subject to the following conditions:

1. Location of the AEDs: The Superintendent, building principal and school nurse shall select and approve the locations for the AEDs.
2. Authorized Employees/Training of Users: AEDs will be administered only by those employees designated by the principal, in consultation with the school nurse. Employees will be authorized after they have successfully received and completed appropriate training in cardiopulmonary resuscitation and AED use. Such training may be provided by the school nurse or from another source acceptable to the school nurse and principal.
3. Maintenance: AEDs will be maintained by Linwood Ambulance Service or designee. Maintenance shall be done according to the AED manufacturer's specifications. Linwood Ambulance Service or designee will maintain a record of all maintenance that has been performed on the AEDs.
4. Registration of AEDs: In accordance with RSA 153-A:33, Linwood Ambulance Service or designee shall register the AEDs with the New Hampshire Department of Safety at aedregistry.pulsepoint.org/index.php.
5. Incident Reporting: The school nurse or designee shall report all instances of AED use with the New Hampshire Department of Safety as necessary.
6. Liability Limited: The District, and persons administering the AED(s), shall enjoy the limitations of liability as specified in RSA 153:A-31, as well as other sources of law.

All employees of the District are expected to comply with the administration of this policy. Any violation of this policy shall constitute grounds for disciplinary action, up to and including termination of employment.
