ISAT TESTING: We are still plugging away on these tests. 5th grade took the ELA performance task test this week. ELA CAT test will be next week (May 6). The final ISAT will be the Science test on May 13. We will also have make-up days for students who didn't finish a test or were absent on a testing day. Results of these tests will be shared with parents, but it will take a couple weeks to get those results back.

END OF YEAR ACTIVITIES – I know we are still 4 weeks away from the last day of school, but we are already planning events and activities for that last week. Please note the "Important Dates" on the weekly newsletters.

SPELLING – With two back-to-back short weeks, we will spend both weeks on this current spelling list. (C-22 / D-22) The test for this unit will be on Thursday, May 8.

WHAT ARE WE WORKING ON THIS WEEK?

Language	Reading	Social Studies
