CCCHS STUDENTS AND PARENTS/GUARDIANS:

Welcome to Coffee County Central High School for the 2026-27 school year. The primary goal of this handbook is to help parents and students understand the policies, regulations, and rules of CCCHS. Most of the information that students and parents need can be found within the following pages. However, this handbook is not intended to be an exhaustive list of every rule and regulation, but rather a general guideline. Changes are sometimes implemented during the school year in order to maintain a safe and productive learning environment.

If I can be of any assistance, please do not hesitate to contact me at the school.

Go Red Raiders!

Sincerely,
Paul Parsley, Principal

SCHOOL MASCOT: Red Raider

SCHOOL COLORS: Red and Black

ALMA MATER: On the City's eastern border,
Reared against the sky,
Proudly stands our Alma Mater
As the years go by.
Forward, ever be our watchword,
Conquer and prevail,
Hail to thee our Alma Mater--
Central High--All Hail!

Hail to thee our Alma Mater,
As the years go by,
We will ever love thee nobly,
Till the day we die.
And when death shall overtake us,
May our memory be,
True to those who us shall follow
Central High --to thee

SCHOOL SPIRIT:

School spirit may be divided into four categories:

1. Courtesy- Toward teachers, fellow students, and the officials of school athletic activities
2. Pride- In everything our school endeavors to accomplish or has accomplished
3. Sportsmanship- The ability to win and to lose gracefully
4. Spirit - School spirit means loyalty to all functions of the school.

At Coffee County Central High School parental contact is both welcomed and encouraged. However, many times during the day the principal, assistant principals, and counselors are with students, in classrooms, or away from their desks assisting the students or faculty with general school business. Therefore, when a call is placed and the individual does not answer immediately, please leave a voicemail, and the call will be returned as soon as he/she is available. Every effort will be made to return both phone calls and emails in a timely manner.

II. ATTENDANCE

A STUDENT SHOULD NOT EXPECT TO PASS WITHOUT REGULAR ATTENDANCE.

Student Responsibilities in Regards to Attendance

- Attend school in compliance with the Tennessee Compulsory Attendance Laws
- Be on time to school and each class
- Know and follow the school's policies and procedures concerning attendance
- Make up any assigned work due to an absence
- Check Synergy for attendance accuracy

Parent Responsibilities in Regards to Attendance

- Require that their child attends school in accordance with the Tennessee Compulsory Attendance Laws
- Know and adhere to the school's policies and procedures concerning attendance
- Provide their child and the school with the proper documentation when their child is absent from school
- Inform the school main office if child will be absent for an extended period of time
- Work collaboratively with the school to help solve any attendance problems
- Check Synergy for attendance accuracy

A. TENNESSEE ATTENDANCE LAW

Under Tennessee law (TCA§ 49-6-3009) any parent, guardian, or any other person having control of a child or children and who violates the provisions under the Tennessee compulsory attendance law commits a Class C misdemeanor. For each day the child has missed school without the proper excuse, a parent may be fined fifty dollars (\$50.00) or thirty (30) days in jail for each separate day of unexcused absence. Court cost will also be assessed against the parent case.

Local Action: Once a student has missed five (5) days of school without a proper excuse, under Tennessee Law (TCA§ 49-6-3007) a written notice will be sent to the parent or guardian of the student. If attendance does not improve after the written notice, the parent and/or student may be required to appear before an attendance committee, truancy board, or juvenile court. If a parent fails to report or to appear before a scheduled attendance committee or truancy board meeting, the administration may deem it necessary to petition the juvenile court. In cases of students with prior attendance problems or a prior juvenile court record, the administration may take immediate court action against the student and/or parent. If the student is found to be guilty of truancy, the judge may assess a fine of fifty dollars (\$50.00) or five (5) hours of community service against the student/parents or legal guardian of children in grades K-12. A court cost will also be assessed in each case.

B. SCHOOL BOARD POLICY

Under the State of Tennessee Compulsory Attendance Law, students must attend school daily unless there are valid reasons for absences. The following shall constitute valid reasons for excusable absences:

- Illness of student
- Serious illness of an immediate family member
- Death of an immediate family member
- Extreme weather conditions
- Medical appointments
- Legal/court appointments
- Other valid reasons approved by school administration

C. TARDIES—STUDENTS MUST BE IN CLASS AT 7:55 A.M.

Tardy to School-- All students who are not in class by 7:55 a.m. must report to the main office. Students who arrive after 7:55 AM are required to enter the building through the secure front entrance. A student who has accumulated more than four unexcused tardies during each semester will be subject to disciplinary actions. **Only three (3) parent notes per semester will be allowed to excuse tardiness to school.** Continual tardiness may result in social probation, summons to truancy board, or a petition to court. Excessive tardies to school may result in senior students not being allowed to participate in commencement exercises.

Tardy to Class-- Students who are late to class, unexcused, will receive disciplinary action by the classroom teacher. **Three (3) or more unexcused tardies to class will constitute an absence in that class, which will affect semester exemptions.** Additional disciplinary action will be taken for continued tardiness.

Checking out of School-- The school discourages students from checking out of school unless necessary. The office will only check students out of school if someone listed on the student online registration is present at school with photo ID or if an assistant principal has spoken with a parent/legal guardian on the phone and received written permission via email. Note: Perfect attendance certificates are earned when the student is present each day without missing any portion of the school day.

- Three (3) or more unexcused check-outs will constitute an absence in that class, which will affect semester exemptions.
- Only three (3) parent notes per semester will be allowed for checking out of school early. A student who has accumulated 4 or more unexcused checkouts during each semester will be subject to disciplinary action.

D. EXCUSES

- All absences, tardies, and checkouts must be covered with a doctor's note, parent note, or legal note in order to be excused.
- **Only five (5) parent notes per year** will be accepted to excuse a student's absence from school.
- Students may be excused for bereavement days without using one of their 5 parent notes if the death is an immediate family member. Students are to provide the school with a death notice or funeral pamphlet to be excused. Bereavement notes should include the following: name of the student and relationship to the deceased. Administration will determine how many bereavement days will be excused on a case-by-case (travel, relationship to deceased, etc.) basis.
- Only ten (10) excuse notes per school year will be accepted from walk-in clinics and telehealth providers.
- All students are required to turn in excuse notes for absences within three (3) days of returning to school.
- Failure to turn in a parent note(s) before the required deadline will result in the absence becoming unexcused.
- All excuse notes are to be turned into the black box beside the Check In/Check Out Desk.
- All parent notes must include the name of student, date of absence, date of excuse note, reason for the absence, parent signature, and phone number.
- Students who take an Independent Study Day using their Renaissance Card must have administrative approval **prior** to taking the day. Approval forms may be picked up in the main office. (Students who reach 10 or more absences during the current year will **not** be permitted to take an Independent Study Day.)
- Students are allowed three (3) college visits / technical school / career / job shadowing days per school year. Students must have administrative approval **prior** to taking the day. College day visit forms must be picked up in the SCC or the main office. The form must be returned to have the absence excused by the school.
- Students will be given three (3) days to make up missing work upon return from an absence. For students missing three (3) or more consecutive days, make up time will be at the discretion of the teacher and administration.
- The acceptance of late work including credit given for it is at the discretion of the classroom teacher.
- Students with five (5) unexcused absences are considered truant by law.

- Students who accumulate ten (10) unexcused absences will be placed on social probation, meaning the student is suspended from participation in all extracurricular activities with the school. Students must meet with their administrator for instructions that may lead to release from social probation.
- Students who accumulate fifteen (15) or more unexcused absences in any semester or ten (10) consecutive unexcused absences will be reported to the Department of Safety for driver's license suspension or denial of one.
- Continued unexcused absences may result in a mandatory meeting with the Coffee County Schools Truancy Board and/or receive a petition to court.
- Senior students who have accumulated sixteen (16) or more unexcused absences in an academic year will not be allowed to participate in commencement exercises (graduation ceremonies) although they will be eligible to earn their diploma.

E. STUDENT WORK DURING ABSENCES

When absent from school, students may find their missing assignments in Google Classrooms. Students/parents may contact teachers via e-mail with any questions about student work.

F. HOMEBOUND

In cases where a student has a medical condition that may result in an absence of more than ten (10) consecutive instructional days, a parent may request homebound instruction. A written order from the treating physician will be required. Once the order is filed the case will be reviewed for eligibility. Homebound students are not classified as regular students. Homebound students cannot participate in extra-curricular activities until they are readmitted. A senior on homebound may participate in the graduation exercise if approved by his/her physician.

G. FIELD TRIPS

In order for students to participate in field trips, the student must have a passing average in the classes that will be missed at the time of the field trip. Students on social probation are not permitted on field trips.

III. ACADEMICS

A. HONOR CODE

WHY HAVE AN HONOR CODE?

Coffee County Central High School is an institution in which learning for a purpose takes place. Useful and lasting learning does not occur unless the process which a student goes through to learn is an honest process that reflects that student's true abilities as measured by his/her own efforts. Plagiarism, which is based on unsound learning, as is the case with cheating, is not a genuine process. It is a process that prepares a student for failure, not for success. In an academic institution, dishonesty serves to undermine the academic and intellectual integrity of the school. By establishing this honor code, the faculty and administration of Coffee County Central High School indicate their commitment to work to eliminate such acts of dishonesty and to deal with offenses in a firm and decisive manner.

WHAT ACTS VIOLATE THE HONOR CODE?

Cheating
Plagiarism
Dishonesty

HOW ARE THESE VIOLATIONS DEFINED AT COFFEE COUNTY CENTRAL HIGH SCHOOL?

Honor Code violations involve one or more of the following acts:

- Using the work of another person as one's own
- Copying information from another student's work OR supplying another student with information that he/she intends to submit as his/her own
- Plagiarizing (use another person's idea, expression or words without giving the original author credit)
- Using computer-generated content as one's own
- Preparing for cheating in advance - Such action might involve having in one's possession a copy of a test to be given or a test that has already been given by a teacher, using the test or notes during a test, talking while quizzes or tests are taking place.
- Failing to follow test procedures or instructions announced by the teacher (such as no talking, no turning around in your seat, raising your hand to ask questions, etc.)
- Knowingly offering information verbally or written that is either partially or completely inaccurate

WHAT HAPPENS TO A STUDENT WHO VIOLATES THE HONOR CODE?

When a teacher determines that a violation has occurred, he/she will take the appropriate action.

First Offense: Teacher consequence **Second Offense:** Office referral

Potential disciplinary actions could include, but are not limited to, any of the following:

- Parent contact
- Resubmit assignment for partial credit
- Loss of privileges
- Loss of letters of recommendation
- Zero (0) on the assignment
- Other actions as determined by the administration

Each student is expected to understand and adhere to the Honor Code as stated above.

B. GRADING SCALE

Grading Scale		
100-105	A	Advanced Placement Courses Only
100-105	A	Dual Enrollment Courses
100-104	A	State/Local Dual Credit Courses
100-103	A	Honors Courses Only
100 – 90	A	All Classes
89-80	B	All Classes
79-70	C	All Classes
69-60	D	All Classes
59-0	F	All Classes

Student GPA (Grade Point Average) is calculated by dividing the total amount of grade points earned by the total number of courses attempted. Convert all semester averages to grade points, add together, and divide by the number of semester averages on the transcript. High school credits earned while at a middle school or junior high school that have been transferred to Coffee County Central High as part of the student's high school record are entered as part of the high school transcript and are included in the calculation of the cumulative GPA.

Grade Point averages range from 0.00 to 4.00

A: 4 B: 3 C: 2 D: 1 F: 0

C. REMEDIATION OPPORTUNITIES

1. Tier III Response to Intervention courses are assigned based on student need.
2. Summer Institute is a program for students who have failed a class. Students will complete required work on Raider Virtual Academy to recover the credit. Students may only earn two (2) credits through the Summer Institute per Coffee County School Board policy. Students and parents must complete an application form in order to be considered for the Summer Institute and are required to pay a fee.
3. Learning Labs will be available to students. This time will allow students to participate in Credit Recovery during the school day. (Students are assigned based on credit deficiencies.)
4. Reaching Raiders during Homeroom time is utilized as needed for tutoring and makeup/late assignments.
5. AP/DC/DE students are not eligible for Credit Recovery in that specific course.

IV. STUDENT BEHAVIOR

A. PROHIBITED BEHAVIORS

All teachers have been requested to be on alert for any student behavior that is in violation of school regulations. Students should behave in a manner that will be a credit to our school.

STUDENTS ARE PROHIBITED FROM THE FOLLOWING:

1. Use of or possession of tobacco, tobacco replacement products, e-cigarettes, vapes of any kind, etc. in buildings or on campus - In addition to the system policy, state law requires that a court citation be issued to anyone under age 21 who unlawfully possess tobacco products. Confiscated items will not be returned to students or parents.

EARLY GRADUATION GUIDELINES

MOVE ON WHEN READY ACT

The Move on When Ready Act (T.C.A. § 49-6-8303) provides public high school students the opportunity to complete an early high school graduation program and be eligible for unconditional entry into a public two (2)- year institution of higher education or conditional entry into a public four (4)-year institution of higher education. Students who wish to pursue early graduation through the Move on When Ready program must meet the State Board of Education requirements for the program.

https://www.tn.gov/content/dam/tn/education/ccte/ccte_move_on_when_ready_intent.pdf

GRADUATION – 1 SEMESTER EARLY – DECEMBER GRADUATE

- Students must declare Early Graduate status by October 15th of Junior year. Students that would like to be evaluated for Early Graduation after October 15th must meet at least one qualifier and eligibility will be determined on a case-by-case basis.
- No new credit may be earned through Raider Virtual Academy (RVA).
- Credits can be earned through accredited online schools and transferred back to CCCHS with pre-approval.

Any student seeking early graduation must contact his/her assigned school counselor to discuss eligibility.

All students who meet eligibility must then be approved by the Principal, Mr. Paul Parsley.

VI. TESTING

A. SEMESTER EXAMS

During the second and fourth quarter grading periods, teachers will give a comprehensive semester exam that will count 15% of the semester in which the exam is given. Tennessee requires End-of-Course or TNReady tests in certain subjects. Students who miss their semester exam must have a valid written excuse to make-up the test. Students who are not exempt from semester exams will be counted absent from school if not present for semester exam periods.

B. SEMESTER EXAM EXEMPTIONS

Students may be exempt from semester exams if they meet the following requirements per semester:

Semester Exam Exemption Chart	
Minimum Semester Average	Maximum # of Absences (in that class)
90-100	3
80-89	2
70-79	1
Note: Exam exemption is a reward for those who meet the criteria, not a punishment for those who don't.	

Days missed do not include school sponsored activities or bereavement days that were approved by administration. In addition, if state scores are available and a student scores proficient or advanced on any TNReady or End-of-Course test, he/she will be exempt from the second semester exam in that course. If a student takes an AP Exam or Dual Credit Exam, he/she may be exempt from the second semester exam for that course. Students who transfer in mid-semester may be exempt only if attendance records and grades from the previous school can be verified.

Exempted students maintain the option to take the semester exam.

C. END-OF-COURSE AND TNREADY TEST REQUIREMENTS

End of Course Tests are given in Biology, English I, English II, Algebra I, Algebra II, and Geometry. All students enrolled in a TNReady/EOC course second semester must take the appropriate state test(s). There are no exemptions from state tests. Students who are absent from any EOC test will receive a zero (0) for 15% of the second semester grade in that course.

D. RIGOR POINTS FOR AP, CLEP, AND DUAL CREDIT (LDC AND SDC)

According to board policy 4.600, students must take the exam in order for the additional rigor points to be awarded to the student's semester averages. If these additional points are added before the test date, the district will remove those points if the student does not participate in the culminating exam by the end of the school year.

E. ACT TEST REQUIREMENT (11TH GRADE STUDENTS)

All students in the 11th grade are required to take the ACT (or SAT) test during the junior year on the state test date. State legislation requires the ACT test to provide educators with diagnostic information to assist in developing interventions for the purpose of increasing high school graduation rates and roving student preparation for postsecondary achievement (TCA 49-6-6001).
