This digital catalog of materials can also be read and listened to on a computer or laptop by accessing the CamilliaNet catalog via the link on the same page on our website.

- This challenge is intended for patrons logging minutes using digital materials: e-books and audiobooks.
- Free e-books and audiobooks can be downloaded from the CameliaNet Digital Catalog with your Spanish Fort Public Library card (or a card from another Baldwin County Public Library location)
- Patrons who wish to participate in this challenge can access the Challenge website by using the link at [spanishfortpubliclibrary.org/summerreading](http://spanishfortpubliclibrary.org/summerreading) or go directly to the site by scanning the QR code

**SCAN  
THE CODE!**

- All Digital Challenge participants are encouraged to visit the library and take part in the many opportunities to join in on events and programs available throughout June and July. *Check our summer calendar for date and time information as well as links for any necessary registrations*
- All participants who complete the challenge will be entered to win an Amazon **Kindle Fire HD8** 16GB tablet or a 10th GEN KINDLE Reader\*

\*Incentive prizes for Spanish Fort Public Library(SFPL) summer programming are a mix of new and gently used items generously donated or purchased by kind patrons and wonderful community members. SFPL cannot guarantee the condition of prize items. Prize items are not eligible for exchange or return.
