

Local Wellness Policy Assessment Summary

Date: May 5, 2026

Oracle Elementary School District No. 2 conducted an assessment of its Local Wellness Policy in alignment with federal requirements for the National School Lunch Program.

Assessment Overview

The assessment reviewed the District's compliance with its Local Wellness Policy, progress toward established wellness goals, and alignment with federal requirements and model wellness policies.

Findings

The District determined that while core wellness practices are in place, updates are needed to ensure full compliance with federal requirements. Specifically:

- Additional language is needed regarding food and beverage marketing
- Formal designation of policy leadership is required
- Public notification procedures must be strengthened

Actions for Improvement

The District is implementing the following actions:

- Updating Board Policy JL and supporting regulations
- Formalizing the role of the Wellness Policy Leader
- Enhancing public notification through website posting and annual communication
- Establishing a structured process for future wellness assessments
