Thank you for always setting a great example for others!❤️	Math: We will be starting Topic 3: Using Strategies and Properties to Multiply 1-Digit Numbers in our Math book this week. REMINDER: I KNOW I HAVE ALREADY SAID THIS SEVERAL TIMES BUT PLEASE MAKE SURE YOUR CHILD FLUENTLY KNOWS THEIR MULTIPLICATION FACTS TO 12. IF THEY DO NOT, INVEST IN SOME FLASH CARDS. These numbers are about to get large very quickly and if they do not know them automatically, they are going to struggle. Several of you have asked about tutors that are taking students after school hours... As of right now, no teachers have responded to say that they are tutoring. I will let you know if this changes. AL History: We will still be working on AL History this week! This week students will describe the founding of the British colonies in North America and describe the culture, economy, and government in the British colonies in North America. <i>This Week's Shoutout:</i> Grace!! Thank you for working so hard each week!!	Check ParentSquare Daily! Fall Pictures- Friday 9/18
