Dear Parents and/or Guardians:

This letter is to inform you a knife was confiscated at the high school as a student entered through the metal detectors. The staff confiscated the knife immediately. After concluding our investigation, we have confirmed there was no threat made to any student or staff regarding this incident. In addition, we have taken the necessary disciplinary action to ensure the safety of our students and staff.

As a district, we take the health, safety, and welfare of our students and staff very seriously. As a parent and/or guardian, you are at times the first line of defense, when it comes to the safety and security of our district. If your child reports anything that may be deemed as a threat to any student or staff member, please report this immediately to the school district so we can take the appropriate action. We cannot investigate or resolve a situation, if we are not informed.

Thank you for your time and attention regarding the safety and security of our district.

Sincerely,

William R. Henderson III
