

CLASSROOM

management

Each week a behavior sheet will be used to document students' behavior. It will be sent to parents in Tuesday folders for signatures. Verbal warnings and reteaching of expected behavior will be used. Conduct checks on behavior sheet will reflect students' misbehavior. If a student receives a conduct check or checks, and behavior does not improve, an SBR (Student-Behavior-Report) will be completed and sent home. 3 Conduct checks in one week cumulative from both classes will result in an SBR.

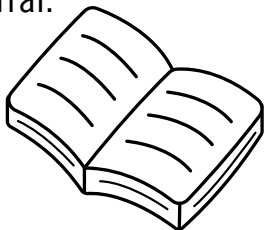

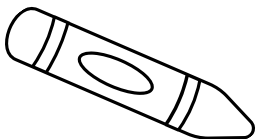

1st Offense: Student/Teacher Conference, Student Behavior Report (SBR)

2nd Offense: Student/Teacher Conference, Communication with parent, (SBR)

3rd Offense: Student/Teacher Conference, Conference with parent, and

SBR 4th Offense: Office Referral

*Severe behavior offenses can result in automatic Office Referral.

POWERPOINT

welcome

TO FIFTH GRADE

MRS. MOONEY & MRS. EDMONDSON

HELLO There

Welcome to 5th grade! We are looking forward to starting this school year with your child in our class! I, Mrs. Mooney, will be your child's Reading/ELA teacher and Mrs. Edmondson will be your child's Math, Science, and Social Studies teacher this year. We have outlined a few things that will explain some of our activities throughout the school year along with what to expect.

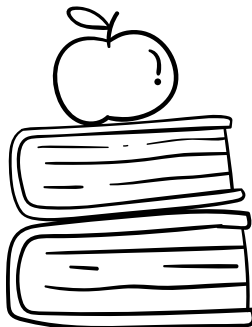

TUESDAY FOLDERS

Each Tuesday, your child will bring home their Tuesday Folder. Please review the graded papers, sign their folder, and return back to school the next day! We need each paper back so we can properly file them. If we do not get them back, we will not be allowed to send anymore graded papers home via Tuesday Folder.

The CURRICULUM

Open Court Reading has 6 Units with 6 lessons in each. Each week we will start off with a new lesson that has its own: story, vocabulary, and reading skills. Every student will receive a weekly newsletter with the vocabulary, name of story, etc. This can also be found on my class website under "Home Connection." We will have a reading and spelling test each Friday.

5th grade math is challenging! This is why we need for students to practice skills at home as well as at school! Every week students have a bell ringer (spiral review) to do at school. Our lessons are covered through the county's pacing guide.

homework

READING

Each week your child's homework is to study their **vocabulary** and **spelling words** in preparation for the tests on Friday. Your child will also receive a **1 minute reading passage** each week that they will read to a parent or adult each night and sign off on.

MATH

Homework: Students will have homework every night. Homework will be in the form of "Additional Practice sheet" and it will be on the lesson we have been going over that day.
