*Where the Future Begins!*  
**5th Six Weeks**

## Administrators Corner:

Happy Spring OES Families!

We are now into the 6th. Six weeks of school and time has just flown by very quickly. This is a very busy time of year and as we embark on the last weeks of school, remember that the learning should not end because the school year is coming to a close. There are several activities you can do at home to help your child sharpen those math and reading skills this summer. The students will have continued access to Reading Eggs and Math Seeds. You can also visit the public library and check out books that you and your child can read together. It has been a unique, yet productive year and we look forward to the 2022-2023 school year. We hope to continue to partner with you in your child's education.
