Pre-registration Instructions for First Class Pre-K in Elmore County

Using a tablet, desktop computer, or smartphone, a parent may access the platform by typing in this address in the search bar: prek.alaceed.alabama.gov

This is the landing page.

To search for nearby First Class Pre-K sites, click **Search for Sites** or, to begin the pre-registration application, click **Pre-Register**.

When searching, enter a zip code or an address with city and state in this box.

A map view will show sites near the address entered and the distance from the address.

When sites are displayed, clicking on the heart ♡ to favorite one or more sites requires creation of an account, then multiple sites may be selected and saved, and will appear in the application. More information about the site can be viewed by clicking **View more information**.

A parent creates an account by entering a first and last name, an email address, and creating a password. After clicking on Pre-Register, the parent enters family and child information as requested.
By clicking the globe with EN in the upper right corner of the screen, then selecting Español, the application may be viewed in Spanish.

Sites may be selected or added to favorites before completing and submitting the application.

The parent may upload a copy of the child's birth certificate and proof of residence as parts of the application, or they may present these at the site prior to the date of the random selection drawing.

Information must be reviewed and confirmed. Then the pre-registration form may be submitted.

Parents will receive a confirmation email after submitting the pre-registration application. After the random selection drawing, emailed notifications for pending and waitlisted students will be sent April 16-18.
