

Job Title: Junior High/High School Science Teacher with possible Coaching Opportunities

District: May Independent School District (ISD)

Location: May Junior/High School

Reports To: Campus Principal

Posted: 6/19/2025

Application Deadline: Until Filled

Start Date: August 2025

Junior High/High School Science Teacher with Coach with possible Coaching Opportunities

May ISD is seeking a highly motivated and qualified Science Teacher for the 2025-2026 school year, with potential coaching opportunities at the junior high and/or high school level.

May ISD is a small, close-knit community dedicated to providing an excellent educational experience for all students. We pride ourselves on a supportive environment where teachers can make a real impact. If you are a passionate educator with a love for science and a desire to positively influence young lives through academics and athletics, we encourage you to apply!

Position: Junior High/High School Science Teacher **Possible Coaching Areas:** To be determined based on district needs and candidate qualifications (e.g., Basketball, Football, Track & Field, Cross Country, etc.)

Responsibilities:

Science Teacher (Grades 7-12):

- Develop and deliver engaging science curriculum aligned with Texas Essential Knowledge and Skills (TEKS) for junior high and/or high school levels.
- Create a positive, safe, and challenging learning environment that fosters curiosity and critical thinking in science.
- Implement a variety of instructional strategies to meet the diverse learning needs of all students.
- Assess student progress regularly and provide constructive feedback to support academic growth.
- Collaborate with colleagues to develop and refine curriculum and instructional practices.
- Maintain accurate records of student attendance, grades, and progress.
- Communicate effectively with students, parents, and administration regarding student performance and well-being.

- Participate in professional development activities to enhance teaching skills and stay current with science education trends.
- Adhere to all district policies and procedures.

Coach (if applicable):

- Develop and implement effective coaching strategies for assigned sport(s), fostering skill development, teamwork, and sportsmanship.
- Supervise and ensure the safety of student-athletes during practices, games, and travel.
- Promote academic success and positive character development among student-athletes.
- Maintain equipment, facilities, and records related to the athletic program.
- Communicate effectively with student-athletes, parents, and athletic staff.
- Adhere to all UIL rules and regulations and May ISD athletic policies.
- Serve as a positive role model for all students.

Qualifications:

- Bachelor's degree from an accredited university.
- Valid Texas teaching certification in Science (Grades 7-12 or appropriate grade levels).
- Demonstrated competency in assigned subject area(s).
- Strong organizational, communication, and interpersonal skills.
- Ability to instruct students and manage their behavior effectively.
- For coaching positions: Prior successful coaching experience, preferably at the junior high or high school level, is highly preferred. Demonstrated knowledge of coaching techniques and strategies for the specified sport(s).

Preferred Qualifications:

- Experience teaching a variety of science disciplines (e.g., Biology, Chemistry, Physics, IPC, Middle School Science).
- Experience with various coaching roles and sports.

Salary:

- Commensurate with experience and May ISD salary schedule.
- Additional stipend for coaching duties.

Application Process: Interested candidates should submit the following:

1. Letter of interest

2. Resume
3. Copy of Texas teaching certificate(s)
4. List of three professional references with contact information

Please submit applications to: Chad Dail, Superintendent at chad.dail@mayisd.org or call (325) 998-4975

Application Deadline: Until Filled
