Math Projects

Students chose their math project last week. We are working on these in class, but students are also welcome to work on them at home. They have directions and the grading rubric. Please let me know if you have any questions.

Student Led Conferences

Student Led Conferences are October 22 and 23. I have sent home time confirmations. Please let me know if you forgot your time or can't make it.

Harvest Party

Our classroom Harvest Party will be on Friday October 31. This is a harvest party NOT a Halloween party. Students are NOT to dress up. If you would like to send in a treat, please let me know as soon as possible.

Book Orders

Book Order Forms are in today's Wednesday Folder. An early HEADS UP, we are doing a book exchange as part of our Holiday celebration. Each student is responsible for bringing in an unwrapped book. (Please put it in a brown paper bag or something like that) The book needs to be at a 3rd - 5th grade level and enjoyable for both girls and boys. If you do not want your child to participate in the book exchange, please let me know as soon as possible. The book should cost \$3-\$5. If you need help getting a book, please let me know. I have extra books.

I will be sending out a book order on FRIDAY, October 24. The online order code is DWWQ8.

P.E. Shoes

Indoor P.E. is upon us!! 😊 All students need indoor P.E. shoes that can be left at school. P.E. shoes are also worn when snow boots are worn to school. I encourage students to NOT wear their snow boots in class because of the smell and the clunkiness when walking around the classroom.

Important Dates

- Math Project due - October 17
- Parent Conferences - October 22, 23
- No School - October 24
- Harvest Party - October 31
