

## 7<sup>th</sup> Grade Supply List

**The school will provide a large academic planner you will be required to use.**

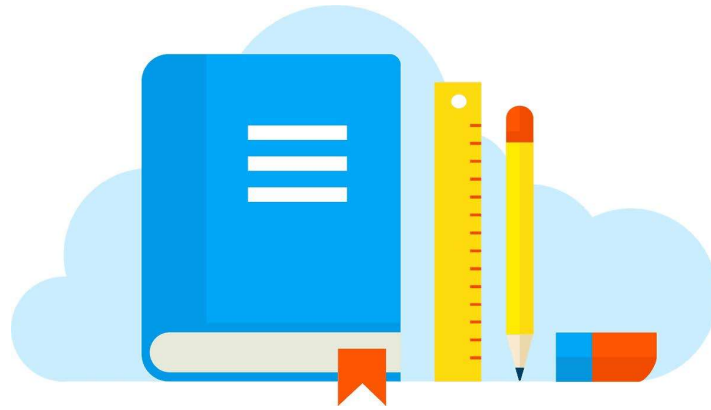

7th grade students will be taught the skills to be organized the first few days of school in English class. In order to do that, each 7<sup>th</sup> grade student *must have*:

- **1 – 1&1/2 inch to 2 inch binder**  
The binder should be durable enough to last the whole year. We recommend the Mead 5-star, or any cloth/poly type. The ones with zippers can be especially useful. It is fine to get a standard binder, but you may end up needing to replace it within the year.
- **6 – different 3 hole punched folders that will fit in the binder**  
Poly type folders are recommended because they do not rip as easily. Do not label or write on any folders. Thin folders can be 3-hole punched if need. **Pronged folders cannot be used.**
- **1 - pencil box or bag to keep in locker for supplies** (a large Ziploc works)
- **1 - package loose leaf paper, wide ruled or college ruled.**  
**OR**, 1 large notebook with perforated edges.
- **1 - BASIC calculator (\$1 type).** Scientific calculators are **not** used in 7<sup>th</sup> grade.

### **And**

- Pencils (standard or mechanical with extra lead)
- Erasers (often pink)
- Hi-liters (2 colors)
- Colored Pencils (minimum 10 in box)
- Bag/backpack

*\*Only clear/transparent water bottles are allowed.*
