Come spend an inspiring afternoon with the Carmelite candidates whose vocations you have supported through your prayers and generosity. Hear their personal testimonies about their call to the priesthood and learn more about the Carmelite Order—its formation requirements, the path of discernment, and the steps toward becoming a Carmelite priest. The program will also include a Q&A session, giving you the opportunity to engage directly with the candidates, followed by group prayer for their vocations.

To make the afternoon even more enjoyable, complimentary food and drinks will be provided, along with a special gift for you to take home as a remembrance of the day. We look forward to seeing you then!
