

SWEETWATER | Montana wall

KEY FEATURES

- 52" height
- 6" resin top ledge with resin stabilizer
- Three-piece resin ledge cover
- Resin upright
- Compatible with salt water systems
- Buttress-free oval system
(Invisible lateral supports on oval models let you make the most of your yard.)

The combination of Sweetwater's dark grey structure and Montana wall pattern that beautifully mimics sun-bleached planks will bring sophistication to your backyard. The Sweetwater is everything you want in a pool, great looks and a resin structure that can be combined with any saltwater chlorinator system. Turn your backyard into an exquisite getaway!
